

SECURE ROTARY CLUB OF HOMESTEAD DOCUMENTS

Club members who need various documents such as Bylaws, Florida current charity certification, etc. you can locate and download them in the secure files section of our District DacDb. If you are on our regular club website HomesteadRotary.org there is a link at the top right to log in to our club's DacDb website. There you would click MY CLUB. Select the icon for Club Files, then select tab that says Secure.

If you have forgotten your DacDb login, it can be resent to you by either our president, secretary, or treasurer.
