

**Support OUR Rotary Foundation
Service Drive TODAY!**

Dear Fellow Rotarian,

Thank you in advance for your generous support of our Service Fund Drive. Once again, we are asking for **100% participation** and we challenge you to **exceed** last year's pledge. We ask for special attention in these Coronavirus times by those Rotarians who have not been financially damaged by the disease. Please consider a minimum donation of at least \$100. Please also consider the \$500 Club and the Millennium Club. We will be recognizing donors at these levels in our year end report. These giving levels are the backbone of our fund. Help be a part of a successful 2020-2021 campaign!

Our service fund committee members will be contacting all fellow Rotarians to make fund pledges. Please be generous to our club! Funds raised are wisely invested in strengthening our community and helping those in need. It is the reason we are in Rotary – **Service!**

Your commitment to our Service Fund Drive is vital.

Yours in Rotary,

Nora Eberl, Barbara Hole, Ginny Parsons, and Paul Hurley
