

The District Governor Projects for 2020 - 2021 will support for the following:

Peace Centers and the Peace Fellow Program.

Rotary Peace Fellows are social change leaders who are chosen for their ability to have a significant, positive impact on world peace throughout their careers. Through rigorous academic training, field experience and global networking opportunities, the Rotary Peace Centers develops leaders who become catalysts for peace and conflict prevention and resolution in their communities and around the globe. This program trains students in a master's degree and professional certificate programs.

HANWASH

HANWASH is a multi-organization initiative to bring clean water, sanitation and health to the country of Haiti. Combining the efforts of the Haitian Government and Non-Governmental Agencies, HANWASH aspires to be a long term solution for the country that has roughly 50% access to safe water and sanitation. This 12 year, multi-billion dollar project will provide sustainable water solutions to improve health, community and economic development in the island nation.
