A Letter from our Governor

Dear Fellow Rotarians,

After celebrating Thanksgiving in November, we reflected on the service projects we completed for the local community. Seeing how dedicated many of us are to helping those in need was heartening. We had a successful fall workshop in Franklin, PA, and took the opportunity to honor our local Franklin Veterans before the start. Whenever we gather our Veterans, it fills my heart with great pride. As Rotarians, we have begun our Christmas celebrations with tree lighting and parades. I know many of you have several projects in December, and I wish you the best of luck. We are seeking a Rotarian who would like to run for District Governor for 2026-27.

In Rotary,
John Marshall, District Governor

ShelterBox

ShelterBox extends a sincere thank you to all who helped make our 2023 Shine for ShelterBox an overwhelming success. You can see a Google Picture album from a link on the event website: <https://shelterboxshine.square.site/>. **We raised \$29,202 ... just short of our \$30,000 goal** (a 25% increase from 2022). Donations are still welcome, so hopefully we can still reach our goal to provide full ShelterBoxes to 30 families! Now is a good time to make a personal tax-deductible contribution before the end of the year.

The ShelterBoxUSA annual virtual benefit, [An Evening to Experience ShelterBox](#), was also an extraordinary success! Watch the recording to learn about the latest deployments and more about the lifesaving work of ShelterBox.

- Exclusive updates on current deployments, including Morocco
- Heartwarming stories from the families who received ShelterBox aid in 2023
- Virtual tour of the ShelterBox family relief tent and live demonstration of essential household items

ShelterBoxUSA is a 501(c)(3) nonprofit organization in the United States (EIN 20-0471604). Contributions are tax-deductible to the extent allowed by law.

Rich-Mar Rotary Club Helps Inspired Hearts and Hands Provide Meals

On Wednesday, November 15th, over 30 Rich-Mar Rotarians traveled to the brand new Inspired Hearts & Hands facility in Cranberry Township, PA to pack hundreds of boxes that will be delivered to those in need for Thanksgiving. The Rich-Mar Rotary Club was recently awarded a District 7280 Grant that helped to fund boxes for the "Holiday Meal Baskets" program that Inspired Hearts & Hands runs for Thanksgiving and Christmas. Mindy Schnitgen, Executive Director of Inspired Hearts and Hands, stated "IH2 will provide nearly 2,000 meal boxes between Thanksgiving and Christmas. We are very deliberate about the contents of each meal box, including all of the necessary aspects of a traditional holiday meal along with essential non-perishable meal components. These boxes will be delivered throughout Allegheny, Armstrong, Beaver and Butler Counties over the next few weeks."

Rotarians volunteered to sort donations, build boxes and run an assembly line to fill each box which was then loaded into a box truck to be delivered the next morning. Mindy spent time with each Rotarian to explain the mission and the purpose of her organization. Tom Kvederis, Rich-Mar Rotary Club President, stated "We can't thank Mindy enough for what she is doing for the less fortunate. Her & her team do such an outstanding job and we can't think of a better organization to partner with especially this time of year!"

You may know of Inspired Hearts and Hands from their Summerfest in the Butler area where they provide free clothing, backpacks and shoes for those kids in need prior to each school year. For more information or to learn about Inspired Hearts and Hands:

December Student of the Month

Please note that the Student of the Month award ceremony is scheduled for **Thursday December 14th, 2023** from 8:10 AM-8:40AM at Rowan Elementary School.

Zelie Rotary Donates Christmas Tree for Main Street

Main Street, Zelienople is more festive this holiday season with the addition of a 15-foot Christmas tree, donated by the Rotary Club and Hills Housing Service.

"We decided to coordinate the installation of the tree with Small Business Saturday," said Club President Rich Gigliotti. "It's important for our club to be an integral part of the community."

Santa Claus took time out of his busy schedule to attend and conduct the countdown to the lighting of the tree.

A quartet from the Cranberry Men's Chorus performed several numbers at the ceremony.

Following the tree lighting, the Club held a social at Haute Kitchen & Bath Designs. District Governor John Marshall joined the festivities.

"I love attending club events," said DG John. "It's great to see 'Rotary in Action.' I want to attend as many club events this year as possible."
