FLAG EXCHANGE WITH ROTARY CLUB FLORIANÓPOLIS - TRINIDADE

Penny Mechley-Porter attended the weekly meeting of the Florianópolis - Trindade Rotary Club last Tuesday evening. Here's a bit about her experience:

"As you may know, Steve and I traveled to Brazil with our good friend, Liliane O'Brien. When I told her a few weeks ago that I'd like to visit a Rotary club when we visited Florianópolis, she asked her cousin there, Marcos De Noronha, 'which of the 7 clubs did he possibly know someone at'. It turns out that he founded Rotary Club Florianópolis - Trindade about 30 years ago! So, that's the club we headed for.

The club welcomed me warmly, and it turned out they had a speaker who was speaking on a topic I am particularly interested in--brain research! She spoke in Portugese but Marcos translated some of her presentation for me.

Marcos, himself, exchanged Club flags with me (see photos).

Overall, it was a great experience. I'm so glad I went! I will bring the Florianópolis Club flag to our meeting."

If you're interested in doing what Penny did, check out other clubs on the www.Rotary.org site. Thanks Penny!
