The Four Way Test & Service Above Self Awards

Letters of nomination from the membership identifying members they deem worthy recipients of this prestigious recognition and state why they believe their nominee should be considered. All of the nomination letters were reviewed and discussed by past recipients of the Four-Way-Test Award who were able to attend. Ballots were passed out and tabulated. The nominee receiving the most votes was selected as the Award Recipient.

Tom Tupitza has been selected as this year's honoree for the Four-Way Test Award. Tom will be presented this prestigious award at the April 12 luncheon to be held at the Manufacturer and Business Association. Tom will also be sharing his thoughtful presentation on what the Four-Way Test means that has been part of the Ethics Symposium for the past several years. Be sure to attend to both hear and celebrate Tom!
