## Jeffrey Hileman

*Director of Communication, EUP*

Jeffrey Hileman became director of communications at Edinboro University in October 2012 following an extensive career as a newspaper editor and reporter. His responsibilities at EU include media and government relations; planning and executing extensive internal and external communications; and serving as the spokesman for a public, regional, comprehensive university with an enrollment of more than 6,000.

He works closely with Edinboro University President H. Fred Walker to communicate Dr. Walker's transformative initiatives to address challenges facing higher education nationwide, of which EU is a microcosm. Central to this work is frank transparency about the need to enhance student success, bring expenses in line with revenues and refresh the academic program offerings while clearly conveying the fundamental strength of the university as an academic community and economic force in the region.

A graduate of Indiana University of Pennsylvania, Hileman has been a resident of Erie since 1988 and worked for 24 years as a writer and editor for the Erie Times-News before becoming a member of the Edinboro University staff.

# THIS IS AN OPPORTUNITY THAT WILL CHANGE YOUR LIFE!

**BECOME A HOST FAMILY** for a foreign exchange student for all or part of the 2017-2018 school year. The commitment can be 3, 6 or 9 months. Rotary Clubs find it better to have the student live with 2-3 families during the school year. The student has an interview process by rotarians in their own country, so they are a good role model for their country. The rotary club provides a Youth Exchange Officer, a Counselor, a monthly allowance, and many events during the school year. This is a great opportunity to learn of another country first hand, and to teach a youth about America. You will establish a bond that will last for years to come. Some of our past host families have been Ray Sammartino, Donald Sieber, Michelle Robertson. Their stories are amazing.

**REQUIREMENTS: A LOVING, REPUTABLE, ETHICAL FAMILY...ROTARIANS, NON ROTARIANS, AND COUPLES WITHOUT CHILDREN**
