DISTRICT CONFERENCE 2017

Greetings to all,

It has been a great year in District 7280 and our emphasis on youth projects and our young adults has been so greatly received. **Yes, it is truly time to celebrate their accomplishments** and be here in Punxsutawney to say thanks for all their work and efforts.

Conference Dates are Friday, May 19 to Sunday, May 21.

Here is a quick recap of events to occur this year at District Conference and how you can help.

First important point is YOU need to be here. Knowing you may not be able to fit all the days into a busy schedule, then plan on being here for at least part of the time. And make sure your clubs and club members are aware of these opportunities. Non-Rotary family members and family members of the youth are welcome too.....

EVENTS: (In addition to Rotary learning sessions)

- **"ShelterBox 100"** - ShelterBox will be set up at 8:00 AM on Wednesday, May 17 and remain up until Sunday, May 21st at noon. Yep, count them. 100 hours in honor of our Foundation Centennial Celebration.
 - Working on volunteers to live inside the tent for the 100 consecutive hours.
 - Would you like to volunteer to be a part of this effort?
- **"Paint the Town Red"** - End Polio Now and as many as 32 red End Polio Now t-shirts attached to our famous "Phantastic Phils" - those oversize groundhogs around Punxsutawney. The youth will be placing these shirts on the Phils so our world knows, "We are this close." The shirts will be displayed the entire conference time period.
- **"Centennial Legacy Forest"** - Planting 1,500 tree seedlings in a blighted area to improve the water quality, stream runoff and other ecological areas.
 - 10:00 AM on Friday, May 19th our young adults and other interested adults will gather to plant these seedlings
 - Name derived -- "Centennial" again in honor of 100 years of doing good -- Legacy, our young adults can return years from now and show their efforts.
 - A time capsule will be created by the youth and opened at a future date they select.
 - Planned quite by coincidence since November 2016, what a great launch into "Rotary: Making a Difference." and Ian's plan to plant trees.
- **Soap and hygiene products** collected throughout this year will be sorted by our young adults and others interested, possibly Friday afternoon or possibly Sunday morning. Clubs will be returning these items to their local communities.
- **Friday evening dinner** will spotlight our youth and their work. So plan on being here to say thanks and personally congratulate them.
 - Rotary Flag Parade by our Youth Exchange and others.
 - A special speaker, Janice Bart, will tell a story of hope based upon a personal experience. This story directly involves one of Rotary's Area of Focus, Maternal and Child Health.
