Joe Schember

Erie Mayor Elect

I was born and raised in Erie by two loving parents, Joe and Helen Schember. After grade school I attended St. Mark's Seminary to study for the priesthood. After 6 years I left the Seminary and completed my degree at Gannon. That's when I met my future wife, Rhonda Mahoney.

Rhonda and I have three children – Jaime, Joe and Jodi. We raised them in the house where I grew up on West 22nd and Cascade. Jaime works in marketing at Google in San Francisco and Joe works in

marketing and product management at Mohawk Fine Papers in Albany, NY. Both are very successful and high achievers. Joe's twin, Jodi, was born with Down syndrome and has severe Autism. Her love has made us all better human beings. Jodi is also one of the reasons I have been active in volunteer service for more than 50 local organizations.

I began my career in financial services as a full time teller while completing an MBA from Gannon in the evening. I moved up through every position to Regional Manager, with responsibility for 51 PNC branches in 10 counties in Northwest PA. This was during a time of radical transformation in banking, with new technology and movement from Order Taking to a Sales Culture.

I have always enjoyed teaching, with the opportunity to teach at the high school and college levels. I've also taught banking professionals at special one-week schools for the Pennsylvania Bankers Association and the American Bankers Association since 1988.

I served on City Council and as Chair of the Finance Committee for over 5 years. During this time, I helped move the city from an \$11.7 million structural deficit to a \$5 million general fund surplus...keeping Erie out of bankruptcy. I am now the Democratic Candidate for Mayor of Erie.
