

Rotary Foundation Awards Scholarships for Post-Secondary Education

Since 1956, the Scholarship Foundation of the Rotary Club of Erie has been supporting the post-secondary dreams of seniors in Erie City Public High Schools. The Foundation is a separate nonprofit corporation and is managed by a Board of Trustees.

Through the Foundation, worthy seniors from Erie high schools, who live in the City of Erie, receive a \$2000 scholarship that is a onetime grant that may be used for any school related expenses in achieving higher education, either for college or technical school.

It is amazing to meet these high achieving students; they are an inspiration excited to get out into the world. These students enjoy performing many hours of community service, and have economic circumstances which might otherwise make post-secondary education unattainable. Often these students have part time jobs in order to help support their families. Several take an active role in being a role model and many times help in parenting their siblings.

Each student is asked to write an essay about how they put others needs above their own, exemplifying the "Service Above Self" Rotary Motto. Join us Wednesday and meet the students and those that have encouraged them in attaining the 2018 Rotary scholarship. These young people are our community's greatest asset and worth the investment of your time and financial support.

Linda Breakiron, Scholarship Foundation President, will introduce the committee. Each committee member will share a bit about why they chose the student from their selected school.
