DC Analytics

Diane Chido is a native of Erie returning this July after serving for three years as the Security and Intelligence Policy Advisor for the U.S. Army's Peace Keeping and Stability Operations Institute (PKSOI) housed at the Army War College in Carlisle, PA. Prior to that assignment, Diane was an instructor at the Department of Intelligence Studies at Mercyhurst University for 6 years. In 2008, after graduating from the Mercyhurst Program and working for two years as a consultant with McManis and Monsalve Associates, Diane started her own analysis firm, DC Analytics.

She conducts research for many Department of Defense agencies as well as market analysis for local firms and other organizations to support strategic planning and business development.

Diane has published widely on such topics as the intelligence process, ethnic conflict, alternative governance and Sub-Saharan African military engagement. She recently published a book on information-sharing and transnational organized crime in United Nations peacekeeping missions. Her partner is Matthew and her 19-year-old son is named Zachary.

The Rotary Youth Exchange Outbound School Year Program

Please see the attached forms to this week's newsletter and also on page 4 & 5 of this newsletter.

Dear Friends,

I'm writing to ask for your help in promoting the Rotary Youth Exchange outbound School Year program to high school students in your area. We are now accepting applications from students to study and live in another country during the 2019-20 school year. It would be great if you – or others from your clubs – would deliver flyers, brochures and posters to your local high schools, and inform students about this opportunity for intercultural learning.

The Rotary Youth Exchange program offers high school students from the U.S. and other countries the opportunity to live and study in another country during a school year. The program's objective is to foster world peace, international understanding and good will by extending international communication at the personal level through the exchange of students of high school age.

Eligible students should be of good character and reputation; be approximately between the ages of 15 to 18½ at time of departure; have above average academic ability; and have a pleasant personality.

The student's share of expenses include a \$450 youth exchange program fee, airfare, insurance and other travel costs. The program is for one school year and the hosting Rotary club will provide housing with host families, food, schooling and a monthly allowance. Attached is some information. Check out www.exchangestudent.org for more information.

I will bring RYE flyers, brochures and posters to the District Workshop in Sharon on Saturday, November 3. If you need anything in the meantime, please let me know.

For more information, materials or club programs, contact me anytime.

Thanks!

Rotary Youth Exchange

SCHOLARSHIPS!

Applications now being taken for 2019-20

Local Rotary clubs in Northwestern Pennsylvania are offering students the opportunity to study and live in another country during the 2019-20 School Year as a part of the Rotary Youth Exchange program.

The program's objective is to foster world peace, international understanding and good will by extending international communication at the personal level through the exchange of students of high school age.

Eligible students should be between the ages of 15 to 18½ at time of departure.

The student's share of expenses include a \$450 youth exchange program fee, airfare, insurance and other travel costs. The program is for one school year and the hosting Rotary club will provide housing with host families, food, schooling and a monthly allowance. Check out www.exchangestudent.org for more information.

STUDENTS AND FAMILIES WANTED FOR ROTARY YOUTH EXCHANGE PROGRAM

International Cultural Connections Offer Life-Changing Experiences

Rotary Clubs in our region are presenting area students and families with opportunities to become involved in the Rotary International Youth Exchange Program.

2 Ways for Students to Participate

1. **Long Term/School Year program.** Travel overseas to spend a whole school year in a foreign country.
2. **Short Term program.** Spend 3-6 weeks in a foreign country in the home of another student; host that student in your home for 3-6 weeks. Short Term applications are due March 30 of each year.

2 Ways for Families to Participate

1. **Long Term/School Year program.** Host a student from another country in your home for part or all of a school year.
2. **Short Term.** Enable your child to spend 3-6 weeks in a foreign country in the home of another student; host that student in your home for 3-6 weeks. Short Term applications are due March 30 of each year.

Students Needed for School Year Rotary Youth Exchange Program

Are you between 15 and 17 years old and looking for something exciting and different to do during the next school year? Do you want to travel overseas and help increase world understanding here at home? Rotary Clubs of District 7280 are searching for outgoing high school students to travel overseas to over 40 countries next year as part of the Rotary International Youth Exchange Program.

Eligible students should be of good character and reputation, not older than 18 at time of departure, have above average academic ability and have a pleasant personality. A preliminary application with a local interview is required before the Rotary District 7280 interviews in November. Country preferences will be taken into consideration and placements made in January.

The student's share of expenses includes a \$450 youth exchange program fee, airfare, insurance and other travel costs. The program is for one year and the hosting Rotary club will provide housing with host families, food, schooling and a monthly allowance. **Check out www.exchangestudent.org for more information.** To request a packet of outbound information, see the Rotary contact information on Page 2.

Host Families Needed for School Year Youth Exchange Program

Families are needed to host an in-bound foreign student for all or part of a school year. Many Rotary Clubs have found it good to have the in-bound student live with 2-3 families during the school year so the student gets to enjoy a variety of experiences, several families get to enjoy that student and no one family is over-burdened. The local Rotary Club will be responsible for getting approval from the school district for the student's enrollment. The club also provides the student with a monthly allowance.

All families—even those without children—are encouraged to apply to be hosts. Any reputable family in our community is eligible to host a Rotary exchange student. For more information on how to become a host family, see the Rotary contact information on Page 2.

Rotary Foundation receives highest rating from Charity Navigator for 11th year

By Rotary International

For the 11th consecutive year, The Rotary Foundation has received the highest rating – four stars – from Charity Navigator, an independent evaluator of charities in the U.S.

The Foundation earned the recognition for demonstrating both strong financial health and commitment to accountability and transparency.

"We are extremely honored to be recognized," says Foundation Trustee Chair Ron Burton. "It represents the hard work and dedication of countless Rotarians throughout the world. They know their gifts will be used for the purpose for which they were given and that they will, indeed, make a real difference."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

Play golf with legend Jack Nicklaus

Twelve generous supporters of Rotary's polio eradication efforts will have the opportunity to play golf with legend Jack Nicklaus, a Rotary ambassador for polio eradication.

Nicklaus plans to thank the next 12 individuals who make a new donation of \$250,000 or more to the PolioPlus Fund by inviting them to play golf with him at the Bear's Club in Jupiter, Florida, USA, on 12 March 2019. There, donors will be divided into three groups of four, and each group will play 18 holes of golf – six with Nicklaus. Donors who prefer not to golf may allow one friend or family member to golf in their place.

Space is limited to the first 12 donors. To qualify, donors need to complete a gift intent form and make the full donation by 22 January 2019. Contact Harvey Newcomb III, director of principal gifts at The Rotary Foundation, for more information. Please see the gift intent form for details.

If they wish, the donors will also be inducted into the Arch Klumph Society in recognition of their support for Rotary's polio eradication efforts.
