

Dr. Michael Hannon

President of Edinboro University

Dr. Hannan, the university's provost and vice president for academic and student affairs, has been serving as acting president since March 30.

He has been at Edinboro University for nearly 30 years, first joining the faculty as an assistant professor in 1988 and later serving for eight years as chair of the Department of Business and Economics. He was named interim provost in 2012 and provost two years later.

Dr. Hannan began his tenure at Edinboro as an assistant professor of economics and

quantitative analysis, where his teaching centered on economic theory, applied statistics, modeling and forecasting. He was promoted to associate professor in 1991 and to professor in 1994. He served as chair of the Business and Economics Department from 1999 to 2007. He also served as associate dean of both the university's School of Science, Management & Technology and College of Arts & Sciences. He was named the founding dean of Edinboro's School of Business in 2011.

As Edinboro's provost, Dr. Hannan implemented a data-driven holistic review of all academic programs, resulting in significant changes to program offerings and the development of multiple student and employer demand-driven programs. He collaborated with leadership in enrollment management in the design and implementation of a plan for raising admission standards at the university and launched a Center for Faculty Excellence to support faculty professional development. He has held a variety of leadership roles at the university, including currently serving as chair of the Planning for Instructional Technology Committee.

Dr. Hannan earned a Bachelor of Arts degree in economics with a minor in political science from the University of Pittsburgh. He earned a Ph.D. in mineral resource economics from West Virginia University, specializing in regional economics and economic modeling. His research interests are in the areas of pedagogy, economic modeling, forecasting and macroeconomics.

CONGRATULATIONS to Norm Stark!

Congratulations to Norm Stark for receiving his Paul Harris+4 (plus four) pin.

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to The Rotary Foundation of Rotary International. A "plus" is awarded each time the individual contributes an additional \$1,000.

This program was established in 1957 to show appreciation for and encourage substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

The number of Paul Harris Fellows reached the one million mark in 2006.

Norm's generosity and compassion are an inspiration for our club.

Interact Club & Rotary Club Project

Our Villa Maria Interact Club is donating care packages for the overflow shelters this winter. They are seeking donations of these items - toothbrush and toothpaste, lotion, hand warmers, bandaids, chapstick, comb/brush, pads or tampons, mints, cough drops, breakfast bars, jerky, trail mix, oatmeal packets, hot cocoa or instant coffee packets, hats, gloves, and socks.

Please support these future Rotarians by bringing your donations to our December meetings. For every 10 items, you will receive an entry to win a \$50 Wegmans giftcard!
