ROTARY PEACE FELLOW APPLICATION PERIOD NOW OPEN – APPLY BY 31 MAY

Each year, [The Rotary Foundation](#) awards up to 50 fellowships for master's degrees and 50 for certificate studies at premier universities.

- **Master's degree programs:** Accepted candidates study peace and development issues with research-informed teaching and a diverse student body. The program lasts 15 to 24 months and includes a 2-3 month field study, which participants design themselves.
- **Professional development certificate program:** Experienced leaders gain practical tools for promoting peace and international development during an intensive, 3-month program, which includes 3 weeks of field study and peer learning opportunities with a diverse group.

Through academic training, practice, and global networking opportunities, the Rotary Peace Centers program develops the fellows into experienced and effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and all internship and field-study expenses.

In just over a decade, the Rotary Peace Centers have trained more than 1,200 fellows. Many of them now serve as leaders at international organizations or have started their own foundations.

Peace fellowship candidates must meet these requirements:

- Proficiency in English; a second language is strongly recommended
- Demonstrated commitment to international understanding and peace
- Excellent leadership skills
- Master's degree applicants: minimum three years of related full-time work or volunteer experience, bachelor's degree
- Certificate applicants: minimum five years of related full-time work or volunteer experience

District Governor Scott Bayline has expressed his hope that District 7280 will be able to recommend at least two worthy candidates to RI for consideration for each of the two categories. Our District Peace Committee Chair, Diane Chido, will be holding information sessions at Mercyhurst and Gannon Universities in the coming weeks to interested students, but would be very pleased if you would pass on the information to anyone you think would make a globally competitive candidate. Application information is available here: <https://my.rotary.org/en/peace-fellowship-application>.

ROTARY:
MAKING A
DIFFERENCE

Foundation Minute for Week of February 25

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger. It expands access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care and poor sanitation – all of which can be prevented.

In Haiti where maternal and infant mortality is the highest in the world, Rotary provided a fully equipped medical Jeep for midwives and volunteers to reach mothers and children in remote areas.

In Chennai, India, Rotarians provided a mobile cancer screening unit and awareness training where there is a high mortality rate of women with breast and cervical cancer due to late diagnosis.

And in Nigeria, Rotarians launched a three million dollar, five-year pilot program to save lives of mothers and children during home deliveries, and since 2005 they have repaired 1,500 obstetric fistulas restoring dignity and hope to vulnerable mothers.

Your contribution to TRF enables this to happen – Thank you.
