

Watson-Curtze Mansion Tour

356 West 6th Street on the corner of 6th and Chestnut

Guests should enter at the back door on the east side of the building, through the solarium. That's where the registration table will be. Signs will be posted to show where to enter.

There are 2 parking lots behind the mansion & street parking.

We have 3 buildings to tour during the meeting - the mansion, the archives building, and the newly renovated Education Center in the Wood-Morrison house.

We will be dividing the Rotarians into 3 groups to take the tours.
