*Erie Day School:
90 Years and Still Going Strong...*

Revisit Erie in its Golden Age through the lens of Erie Day School. From the original premise of the founding mothers, Gertrude Spencer and Zelda Selden, Erie Day School has its foothold in the history of Erie. Join us in learning about the connections EDS holds with St. Paul Cathedral, the Strong and Hamot families, President Taft, Princeton University and the Rose Theatre in London. Brian Gutowski, Erie Day School teacher and Humanities Department Chair will guide us through the history of the Day School and its relationship to the dignitaries of the day. Karen Tyler, Head of School, will share a bit about the school's present and future, that continues to honor its past 90 years.

ROTARY CLUB OF ERIE TO HOST FRENCH YOUTH EXCHANGE STUDENT THIS SCHOOL YEAR

We will be welcoming exchange student Lilas Piron from Roquebrune Sur Argens, France for the 2019-2020 school year. She will arrive August 20th at Erie International Airport. She is 16 years old and the eldest child of 3 in her family. Dad works for an insurance company and mom is a sales manager for an international hotel chain. She says she is quiet and has an interest in horses, tennis, and skiing. She would like to work on a technical team to produce movies when she grows up. She will be a junior at McDowell High School.

Many thanks to Youth Exchange counselors Tania Bogatova and her back-up Penny Porter for offering to serve one-on-one with her throughout the year. They will bring her to some club meetings and be available to her throughout the year. Thanks also to past president Linda Wilkinson for securing Lilas' first host family, Dana and Jill Mintsiveris.

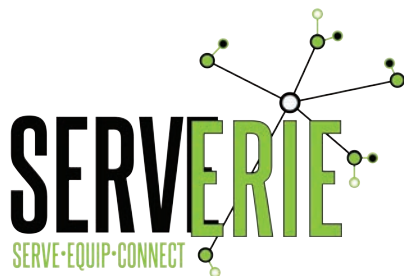

Please consider reaching out to Tania, Penny, or me if you have any ideas or opportunities to help welcome Lilas or make her visit to the US and Erie special. From time to time we may need to ask the club for a volunteer to transport her to meet up with other exchange students in the region for a group event or trip.

Please contact me with any questions at kevin@hedderman.net or phone 814-440-5644

The Rotary Club of Cranberry Township

Rotary Club members are business and professional leaders who volunteer in their communities and promote world understanding and peace. Rotary's 31,000 Clubs in more than 165 countries and regions encourage high ethical standards and carry out humanitarian projects to address such issues as poverty, health, hunger, education, and the environment. The Cranberry Rotary Noon Club is the original Rotary Club of Cranberry Township and was founded in 1971. We're proud of the work we do to help make Cranberry Township one of the most coveted places to live.

In addition to the Cranberry Rotary Amphitheater, our Club is also responsible for Cranberry Park's Dog Park, Dutilh Road/Rt. 19 Cranberry Rotary Gardens, Rt. 19 Highway Clean up, Cranberry Place Bingo, and Seneca Valley School District student scholarships and leadership opportunities. We sponsor a YMCA Healthy Kids Day, Suicide Prevention Initiative, and a Senior Luncheon. We are also founding members of the Seneca Valley Foundation and donated to the electronic sign development on Rt. 19. We hold three fundraisers during the year, including a summer golf outing, a March bowling event., and a Night at the Races. We're a fun group who likes to meet at noon every Tuesday at the Rose E. Schneider YMCA in Cranberry Township. You can stop by anytime!

Mission Statement

The Rotary Leadership Institute is a grassroots, multi-district leadership development program whose mission is to strengthen Rotary Clubs through quality leadership education.

Dear Rotarians,

The Rotary Leadership Institute was founded to assist in improving the Rotary knowledge and leadership skills of the future leaders of our Rotary Clubs. We believe that excellent leadership is the key to successful service by our Clubs to our communities and the world. Rotary is blessed with members of high quality, but all Rotary Clubs depend on outstanding leadership to harness the talents and skills of our membership to high levels of accomplishment. The rapid turnover of leadership positions in Rotary caused by annual elections requires constant effort to prepare more and more Rotarians for the responsibilities of leadership. Through the dedicated efforts of our officers, executive committee and faculty, the Rotarians of our member Districts have a unique opportunity for quality Rotary education.

We invite all of the Clubs of our member Districts to join with us to build a greater and greater Rotary.

~ David Linett PRID, RLJ International Chair
