## Rotary International Foundation Day

Oct 09, 2019 Rotary International Foundation Day

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

With your help, we can make lives better in your community and around the world.

## Our mission

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

## What impact can one donation have?

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
