About more than the event

Bands, breweries, local business and
vulnerable humans have suffered through
Covid. This event has the visibility and
comradery needed to jump start recovery.

A little about

Rooted Outreach is fiercely
confronting human trafficking,
sexual abuse & assault and
homelessness right here in our
area through awareness, education & victim support.
They provide clothing kits to emergency rooms right
here in our area for victims of sexual
assault & abuse, human trafficking and trauma.

Why? Hospitals usually don't have clothing for
victims after theirs are collected for evidence or
destroyed due to a traumatic accident. Without the
kits, victims must be sent home in scrubs, mesh
undergarments or paper gowns. Rooted Outreach
believes these patients should be discharged with
dignity.

**Event attendees will learn the warning
signs, how to report suspicious
behaviors and prevention practices.**

**Are you or someone you know a victim of
human trafficking or sexual assault/abuse?**
