Hello friends,

Well, we are hoping what has been a trying period for many people is nearing an end and our lives can begin to return to some sense of normalcy.

Part of that is continuing to stage what has been a mainstay for more than two decades – our annual charity golf tournament, the best of its kind in Western Pennsylvania. We didn't pause last year amid the pandemic and we're going full steam ahead this year, as well.

So we're hoping everyone can breathe a small sigh of relief and join us Tuesday, July 6 for the 23rd Gerry Dulac Parkway West Rotary Classic at Sewickley Heights Golf Club. We had a great turnout last year given the circumstances – nearly 100 players – and we're counting on getting back to our usual numbers this year.

As always, we will do what we have always strived to do every year – provide an enjoyable day of golf with food and beverage, welcoming gift, prizes, musical entertainment and just good camaraderie. That all comes in handy at a time when our mental health has been in need of such respite.

With your help and generous support, we raised the most money for our charities in the history of our event in 2019. We are hoping to equal, if not surpass, that total this year. Thanks to your participation, our tournament continues to grow in size and stature each and every year, with more players, more prizes and increased charitable donations. Adding to the golf experience is our venue, Sewickley Heights, is acclaimed as one of the best layouts in the Tri-State region.

We anticipate the restrictions that were in place last year at Sewickley Heights will no longer be in effect. However, one of the benefits of last year is we discovered our participants really enjoyed the outside patio and grab-and-go grill for our post-golf dining and auction, so we will continue with that arrangement this year, too.

Our tournament has enabled Parkway West Rotary charities to increase its service and support of causes in western Allegheny County. For the third year in a row, our primary benefactor is the Coraopolis Train Station Project, a multi-million dollar restoration to transform this historic landmark into a multi-use events center and café.

Your support of past tournaments has enabled us to fund community projects in Kennedy, Robinson, McKees Rocks and West Allegheny, and we hope you will help us do the same for this dramatic undertaking. So please join us on Tuesday, July 6 for a special day of great golf, music, food and prizes at Sewickley Heights by mailing the completed entry form, along with your vest and shirt size and check, to the Parkway West Rotary Club, or by registering and paying online at www.parkwaywestrotary.com. Let's come together like we always do for another unforgettable experience. And, as always, thank you in advance for 23 years of support.

Sincerely,

Gerry Dulac

A little about

Rooted Outreach is fiercely confronting human trafficking, sexual abuse & assault and homelessness right here in our area through awareness, education & victim support. They provide clothing kits to emergency rooms right here in our area for victims of sexual assault & abuse, human trafficking and trauma.

Why? Hospitals usually don't have clothing for victims after theirs are collected for evidence or destroyed due to a traumatic accident. Without the kits, victims must be sent home in scrubs, mesh undergarments or paper gowns. Rooted Outreach believes these patients should be discharged with dignity.

Event attendees will learn the warning signs, how to report suspicious behaviors and prevention practices.

By aligning yourself with the Rotary Club of Westmoreland, you are...

establishing your organization as a caring, responsible, honest and contributing member of the community. ROWs extensive network holds us, our events and sponsors to a high level of responsibility and trustworthiness.

Are you or someone you know a victim of human trafficking or sexual assault/abuse?
