By aligning yourself with the  
Rotary Club of Westmoreland, you are...

establishing your organization as a caring,  
responsible, honest and contributing member  
of the community. ROWs extensive network  
holds us, our events and sponsors to a high  
level of responsibility and trustworthiness.

Rooted Outreach is fiercely  
confronting human trafficking,  
sexual abuse & assault and  
homelessness right here in our  
area through awareness, education & victim support.  
They provide clothing kits to emergency rooms right  
here in our area for victims of sexual  
assault & abuse, human trafficking and trauma.

Why? Hospitals usually don't have clothing for  
victims after theirs are collected for evidence or  
destroyed due to a traumatic accident. Without the  
kits, victims must be sent home in scrubs, mesh  
undergarments or paper gowns. Rooted Outreach  
believes these patients should be discharged with  
dignity.

**Event attendees will learn the warning  
signs, how to report suspicious  
behaviors and prevention practices.**

# The Bob Williams Memorial Rotary Scholarship Program

## BOB WILLIAMS; ROTARIAN OF OMNIPRESENT GOOD WORKS

If you walked anywhere with Bob Williams in downtown Pittsburgh, you alternated between half running to keep up with him and stopping on a dime to talk with the numerous friends that Bob would inevitably meet. Always gracious and mindful, Bob would never fail to introduce you to his (now your) friend.

Those walks were microcosms of Bob's life: he was a dynamo that seemed never to pause to rest, yet always paused to do random acts of thoughtfulness. His span of good works ran the gamut from contributing to The Rotary Foundation, to shaking hands with the speaker at the end of the weekly meeting (his hand inconspicuously held a personal check for the speaker's charitable organization), to giving money to the beggar woman who sat outside the Forbes Avenue CVS.

Bob was born in Robinson Township. His father, David E. Williams, was a legendary educator and administrator in the Montour School District; a junior high school building in that District bears his name. Bob attended Swarthmore College and Georgetown University Law Center. He was married for 41 years to his wife, Teresa. They have three children: Ben, Lizabeth, and Matthew, and seven grandchildren.

Bob's tenure as a Rotarian lasted for over 30 years. He was a Paul Harris Fellow eight times over – an inspiration to all Rotarians. Bob wore many hats – literally and figuratively. At Rotary and beyond, he was famous for his hat collection, which ranged from the ridiculous (a stuffed moose), to the sublime (a native American headdress).

Bob was also blessed with a fulfilling career on which to exercise his profound intellectual curiosity. He was an associate, then a partner, with Eckert Seamans, one of Pittsburgh's premier law firms. In 1995, he resigned from that firm on an amicable basis to lead his own team of lawyers. On Halloween of 1995, the firm of Williams Coulson was born. Throughout his career, Bob was listed consistently in many Super Lawyer and Best Lawyer publications, including a listing in the Best Lawyers in America.

Bob was trusted by his peers. He earned the loyalty and devotion of his clients, many of whom enjoyed decades-long relationships of representation and friendship. As one who lived the Gospel message, Bob took the same care with those of modest means that he took with the captains of industry.

At the Rotary Club of Pittsburgh's 23 Dec 09 meeting, the day after Bob's passing, Jim Droney, past president of Pittsburgh Rotary, described Bob perfectly: **"Bob always operated in that gentlemanly, modest, understated style that has all too often vanished from the business world today, . . . He was substance, not style"**. Present at that meeting was Bob's son, Ben, who had just been inducted into the Rotary Club of Scranton, PA earlier that week and was a visiting Rotarian that day at the Pittsburgh Club.

The Old Testament 2 Chronicles 16:9 states *"For the eyes of the Lord move to and fro throughout the earth that He may strongly support those whose heart is completely His."* This passage describes Bob's life as a recipient and conduit of blessings both material and divine. Bob was only 65 when he left us on December 15, 2009.

*The above written by Mary Jo Corsetti, Member, Pittsburgh Rotary, sponsored by Bob Williams; Partner, colleague and friend at Williams Coulson Attorneys*

+++++

*This photo taken at Pittsburgh Rotary on May 23, 2007 when the then District Governor Bob Rupp and Rotary Foundation Trustee Lou Piconi presented The Rotary Foundation's highest honor, the Distinguished Service Award to Bob.*

Bob was a Rotarian's Rotarian. He worked tirelessly for all his friends, especially in support for The Rotary Foundation and its endowment. Bob gave his talents and time freely to anyone who made a bequest to The Rotary Foundation's Permanent Fund.

Many of us who had the privilege to serve on a committee with Bob were blessed to interact with one of finest men God created. He was special. His entire adult life, Bob quietly, in his unassuming manner, gave hundreds of youth educational opportunities to grow up to become gentle and productive adults - the fabric that was Bob's character. He gave witness to the highest degree of professionalism, gentleness, fairness, compassion and made giving an art. Simply, many of us were privileged to know and call him friend. He made all those he met and touched better human beings. A friend said of Bob: **"One of the BEST of God's children, as to how he lived his life and treated others."** Another stated, **"Our loss was heaven's gain."**

Bob's endowed gift will forever provide scholarships to deserving youth and fund many local and international Rotary Foundation scholarships, ensuring that his legacy of gentleness, fairness, compassion and the privileged art of giving will continually be bridged to future generations.

*Thank you friend Bob.*
