

World Polio Day is October 24, 2017
The World's Greatest Meal
To Help End Polio

"The World's Greatest Meal To Help End Polio" (WGM) is a joint project started by the Rotary Club of Cairns Sunrise, D.9550, Australia and the Rotary Club of Hounslow, D.1140, England. Details on their history and totals raised can be found on their website: www.wgmeal.com.

With 2,500 members and an "average" cost per meal of \$10.00, District 7360 can easily raise over \$25,000 for PolioPlus by every club participating in this project!

During the week of October 16th – 22nd
or the week of October 23rd – 29th:

We are asking each Club in the District, during their Regularly Scheduled Club Meeting, to hold a Special Polio Fundraising Meal: WGM

During one of the two weeks listed above (before or after World Polio Day) each club is asked to forego their regular meal or refreshments and donate the normal cost of the meal or refreshments to PolioPlus. Most Clubs will suggest their members brown bag the meal or bring their own refreshments this one time. Then ask your treasurer to:

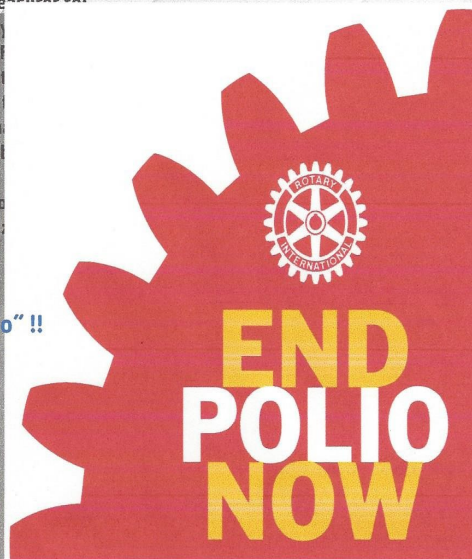

1. Mail the regular meal savings to: The Rotary Center Dr, Chicago, IL 60693 with the normal Be sure to indicate PolioPlus in Section #2 of
2. Complete and email the attached reporting jeffcoup@verizon.net so that your Club's donation can be added to the World's Greatest Meal website.

We need all District and Club Leaders to promote this event so that all Clubs participate and maximize District 7360 wide event's success.

The Four-Way Test

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is The Four-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as RI president) when he was asked to take charge of a company that was facing bankruptcy.

This 24-word test for employees to use in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four-Way Test has been translated into more than a hundred languages and published in thousands of ways. It asks the following four questions:

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
