PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:

1. Briefly describe the proposed project. What will be done, when and where will the project take place, and who will benefit from the project?

The Bloomsburg Volunteer Ambulance currently serve Bloomsburg, Espy, Catawissa, Numidia, Buckhorn, Nescopeck and surrounding municipalities. The Bloomsburg Volunteer Ambulance needs to purchase binder lift vests to safely move individuals. The binder lift vest not only increases patient safety, it also increases EMS service volunteer safety.

2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be?

This project benefits the Bloomsburg Volunteer Ambulance association. The association works with local fire and police departments. Currently we do not have any club members actively involved in this organization.

3. How will the project benefit the community? Approximately how many people will benefit from the project?

As of 2011, the Institute of Health metrics and Evaluation found that 80% of the population of Columbia County are obesity. The population served by the volunteer ambulance association is approximately 20,000 people.

4. Will the project be completed if less than requested funds are granted? NO YES
 If yes will the project be modified if this occurs? NO YES in what way?

The Bloomsburg Rotary Club will fund-raise to make up the difference.

5. How does this project reflect the mission of The Rotary Foundation?

The Rotary Foundation's mission to advance world understanding, goodwill, and peace is reflected in this application by improving health of Columbia County's residents and also the Bloomsburg Volunteer Ambulance.
