**Buffalo Valley Recreation Authority (BVRA) is a nonprofit organization whose mission statement "strive to provide comprehensive park and recreation programs... to preserve, enhance, and protect our open spaces to enrich the quality of life" is exactly reflected in this Community Grant "Nature and Our Surroundings through Childhood Education" which focuses on environmental and nature education, literacy and activities for preschool and school age children. Activities will include hands-on nature activities, reading programs, and stimulating environmental education. Young students will be joined by their families and community leaders.**

**With child clearances and BVRA waivers, 100% of Lewisburg Sunset Rotary members will participate in various facets of the program from assisting students in activities to being guest readers.**

3. How will the project benefit the community? Approximately how many people will benefit from the project?

**Through the process of educating children, the importance of respecting nature and caring for our environment will be long-lasting. The vast number of people impacted over a child's lifetime is enormous.**

4. Will the project be completed if less than requested funds are granted? NO \_\_\_\_\_ YES

If yes will the project be modified if this occurs? NO  YES \_\_\_\_\_ in what way?

5. How does this project reflect the mission of The Rotary Foundation?
