PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:

1. Briefly describe the proposed project. What will be done, when and where will the project take place, and who will benefit from the project?

The mission of the Jared Box Project is to lift the spirits of children in the hospital. A Jared Box is a plastic shoe box filled with games, toys, and fun activities. Locally Jared Boxes are provided to children at Mount Nittany Health's emergency department, patient rooms, and in the surgical center: at Geisinger Surgical Center and at Centre Volunteers in Medicine. Each month over 200 Jared Boxes are handed out locally. The grant money will be divided into 2 projects. \$500 of the grant money will be used to purchase 400 Jared starter box/labels. These starter boxes includes the plastic boxes, labels and note cards used to make Jared boxes. These starter boxes will be given to service groups such as scouts, schools, sport teams and other service organizations to get these groups started.

The Rotary Club of State College will also use approximately \$1,320 to buy all the materials and boxes to make 110 Jared boxes to be donated to local community medical facilities.

2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be? Approximately 25 Rotarians will participate in assembling the boxes and purchasing the toys, fun activities and writing the notes for the Jared boxes.

3. How will the project benefit the community? Approximately how many people will benefit from the project?
The project will directly lift the spirits, calm the nerves, and put smiles on the faces of 110 children in the hospital. The project will also help other service groups to get started on making Jared Boxes by providing 400 starter packs
4. Will the project be completed if less than requested funds are granted? NO YES
If yes will the project be modified if this occurs? NO YES in what way? Fewer boxes will be purchased and given out to children and service organizations.
5. How does this project reflect the mission of The Rotary Foundation? Jared Project provide service to others, promotes integrity, and advance world understanding and peace through fellowship of business professional and community leaders
