Rotary Club: Altoona

Project Title: Altoona Sign Project

PROJECT DESCRIPTION:

1. Describe the project. What was done, when, and where did project activities take place?

The Rotary Club of Altoona is working on a multi-year sign project. The first phase was sign design, which has been completed. The sign will be placed in a high-traffic area to promote Rotary and welcome people to Altoona.

2. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? How many people benefited from this project?

The sign will fill pride in our community and let passers-through know the town they are in. It will also carry the Rotary symbol so it will promote Rotary as well. The sign is to be placed in a high-traffic area, with many cars passing each day.

3. How many Rotarians participated in the project? What did they do? Please give at least two examples, not including financial support provided to the project.

The sign project was discussed at our Board and at meetings of the club. Now that the design phase is complete, we will begin soliciting pledges to fund the next phase of the project. For the current phase the Board has discussed the project in detail and added input regarding it. Project Chair Doug Wolf and President Traci Naugle personally had conversations with the designer

4. If a cooperating organization was involved, what was its role?
