Project Title: Funding support for books and project supplies for the McBride Library 2022 Summer Reading Program

## PROJECT DESCRIPTION:

1. Describe the project. What was done, when, and where did project activities take place?

The McBride Memorial Library offers a Summer Reading program for preschool and school age children distributing nearly 300 summer reading kits which include a new copy of a book as well as all the supplies needed to complete four weeks worth of enrichment activities. Berwick Rotary club provided funds and packed the reading kits on April 28th to prepare for this program.

2. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? How many people benefited from this project?  
Nearly 300 preschool and school age children will benefit from this summer reading program that encourages children to stay engaged in reading while school is out.

3. How many Rotarians participated in the project? What did they do? Please give at least two examples, not including financial support provided to the project.

Five Rotarians helped the McBride Memorial Library staff choose, sort and pack the supplies for each of the individual summer reading kits that will be distributed for this program. Rotarian, Christine Curley, will distribute the kits during the summer program.

4. If a cooperating organization was involved, what was its role?

McBride Memorial Library staff organized the project, identified the supplies needed and worked with Berwick Rotary Club to order the supplies and coordinate the work project to pack the kits. McBride Library covered the additional cost of \$39.46 over the \$1,000 budgeted for the project.

To Whom it May Concern:

Attached please find invoices/receipts for this year's books and supplies for our 2022 Summer Reading Confident Readers kits. We created 60 kits which included a new copy of the book *The Phantom Tollbooth* and all the supplies necessary to make 4 weeks' worth of high-quality activities which go along with the book, including making their very own Tock the watchdog plush stuffed animal with a real stopwatch to encourage physical activity and outdoor play. Our registration list was full within weeks of posting it and the children are very eager to receive their kits, which will be distributed this June. We look forward to sharing photos of their activities. Thank you so much for helping us to share the love of reading with our local youth through McBride Memorial Library's 2022 Read, Meet, and Make Summer Reading Club!

Sincerely,

Christine Curley  
Library Director
