Rotary Club: Rotary Club of Clearfield Area aka Clearfield Area Rotary Club

Project Title: Bicycle Rodeo May 21, 2022

PROJECT DESCRIPTION:

1. Describe the project. What was done, when, and where did project activities take place?

Area children (target ages 6 through 12) were invited to attend the Bicycle Rodeo with the purpose of promoting safety in the operation of bicycles in the community. After registration each child was fitted with a new bicycle helmet. They then moved to a station where their bicycle was inspected for air pressure, tightness of the chain, proper seat height, brakes, and general condition. From

2. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? How many people benefited from this project?

Children in the area were the beneficiaries as they were encouraged to operate their bicycles safely and to always wear a properly fitting helmet. Due to several activities in the area turnout was lower than expected but the remainder of the helmets were given to Kara Bauer, RN, BSN, the Trauma, Outreach and Injury

3. How many Rotarians participated in the project? What did they do? Please give at least two examples, not including financial support provided to the project.

Half a dozen Rotarians participated the day of the project. They assisted with setting up the various stations of the skills course. They also manned a station on the skills course, demonstrated the objectives of their station to the participants and scored their performance to ensure they're able to safely handle their bicycle under various conditions.

4. If a cooperating organization was involved, what was its role?

We were aided by Mary Lakari with the The Pennsylvania Chapter, American Academy of Pediatrics Traffic Injury Prevention Project. She provided direction to the Rotarians on how to set up the skills course and on how to score participant performance. We were also aided by Kara Bauer with Penn Highlands. She led the helmet fitting station based on her prior experience as a nurse.

A presentation for Rotarians, and potential Rotarians that presents a comprehensive overview of Rotary International's History, Objectives, Goals, and Impact both here in our own community, and around the world that answers two key questions;

- *Why You should be a Rotarian?*

Last Week's Program: May 18 - Keith Billotte, Sr.: Program Chair, Rotarian Ed Master

Winner of the 2020 Historical Preservation Award for his work to renovate the former Clearfield County Jail, Mr. Billotte updated us on his efforts to transform this historic landmark into a distillery business. which he appropriately plans to call "Doing Time". Over the past three years, Keith has completely restored this historic landmark from the copula's to approximately 4 feet below grade. When completed, "Doing Time" will offer tours of a state of the art distillery, and sell Bourbon, Rye Whiskey, and Vodka all made from

local grains and aged in barrels made locally from Pennsylvania White Oak. Thank You Keith for a great program and all you are doing throughout Clearfield and the surrounding community!

May 21 - SATURDAY - Bicycle Rodeo

Our thanks to CNB Bank, Pennsylvania Department of Highways, our Rotarians and all the other volunteers who made Saturday's bicycle rodeo a success. Six participants turned out, one of whom was gifted a helmet by the club because they did not have one of their own and left safer as a result. Winners of the bicycle raffle were Miss Ava Lind, and Miss Regan Kertlain. The remaining helmets were donated to Penn Highlands Healthcare for use by their Trauma Outreach and Injury Prevention Coordinator who assisted with the rodeo.
