Project Title: Park Forest Preschool (PFP)

PROJECT DESCRIPTION:

1. Describe the project. What was done, when, and where did project activities take place?
(See attached page)

2. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? How many people benefited from this project?
(See attached page)

3. How many Rotarians participated in the project? What did they do? Please give at least two examples, not including financial support provided to the project.

(See attached page)

4. If a cooperating organization was involved, what was its role?
(See attached page)

District Grant Final Report Attachment

1) The PFP is a non-profit, tuition free program serving low-income families with 2, 3, and 4-year-old children in the State College area. The preschool team is committed to prepare the children to be ready physically, emotionally, and cognitively for kindergarten. They also provide supportive parenting programs, dental and vision screening, a clothing room when needs exist, emergency contingency funds, and two nutritious meals a day. This grant offset shortfalls in the 2021-22 preschool budget due to fundraising limitations impacted by COVID-19 realities. The grant revitalized a music appreciation program that was halted during the two previous preschool years. A new contract was awarded to teach four, 30-minute classes each week beginning on November 16, 2021 at the cost of \$12.50 per class. The instructor visited the preschool, provided all the necessary instruments and materials, and taught in the student classrooms. This program was a resounding success and will become a mainstay in the curriculum budget moving forward.

2) The 33 registered students and their 60-plus family members were the primary beneficiaries. In addition, teachers and their volunteer aides were able to observe and grow their skill sets, and appreciate the fun and joy the children were experiencing with the music, the dance movements, and confidence gained by the students learning to use different instruments to keep time and produce rhythmic sounds. The availability of this unique day nursery and companion preschool program allows parents who otherwise could not afford this opportunity for their children, to work and support the primary needs of the family. Consistent with this year's RI theme - *Serve to Change Lives*, this grant made its mark. The grant met three of RI's Seven Areas of Focus - Maternal and child health, Basic education and literacy, and Economic and community development.

3) Two club Rotarians were directly involved with occasional class sessions where they came to observe and join in the activity. Because of the required background checks required of those that work or associate directly with the children in the school setting, I was permitted to capture selected video segments of a music session that I subsequently shared with the club. Consistent with an ongoing program by our club to collect and deliver age appropriate books to the preschool library, an effort for one donation effort was to purchase all things music related for one delivery.

4) None.

Memorandum of Understanding among State College Sunrise Rotary Club, Park Forest Preschool, and Lydia Baranoski

I, Lydia Baranoski, agree to teach 4 Zumbini classes, each for 30 minutes, at Park Forest Preschool on a weekly basis, through the 2021-2022 school year. Classes will begin on November 16. Dates and times will be agreed upon by me and Susan Hills.

I will submit weekly invoices based on \$12.50 per class to the director of Park Forest Preschool for approval and submission to the State College Sunrise Rotary Club, c/o Cliff Wurster, for payment.
