PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:

1. Briefly describe the proposed project. What will be done, when and where will the project take place, and how many people will benefit from the project? How will the project benefit the community?
We want to buy benches for the Grantsville Park. These benches will be placed around a small pond next to the town Library. The benches will have the Rotary logo on them. The whole community will benefit from this project.
2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be?
We will work with the Mayor of Grantsville Mark Diehl who is a member of Grantsville Rotary in purchasing the benches. We will have at least 6 club members participating with installing the benches with the town maintenance staff.
3. Will the project be completed if less than requested funds are granted?
If yes, will the project be modified if this occurs, and if so, how? Yes we will still do this project because it is very important to our community.

4. How does this project reflect the mission of The Rotary Foundation?

The benches will show that the Grantsville Rotary cares about the community. These benches will be near the Library as well for people to relax and watch the wild life of the area. This pond is also used for the fishing derby that Grantsville Rotary sponsored this past year. So these benches can be part of our fishing derby that will be held the first

Saturday of May for children from ages 3 to 15.
