PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:

- Briefly describe the proposed project. What will be done, when and where will the project take place, and how many people will benefit from the project? How will the project benefit the community?
 This project will donate high-quality children's books to Centre County elementary school libraries. The books will address topics of diversity, including (but not limited to) race, culture, ethnicity, class, disability, sexual orientation, and religion. RISE targets the 21 elementary school libraries serving 6,000 elementary students in Centre County.
- 2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be?

 RISE can provide a speaker to interpret the program to the Rotary Club.
- Other organizations involved include the Centre Foundation and Schlow Library staff and elementary school librarians.
- 3. Will the project be completed if less than requested funds are granted?

If yes, will the project be modified if this occurs, and if so, how? Yes, grants to educators will be adapted to support other goals.

4. How does this project reflect the mission of The Rotary Foundation?

This supports basic education and literacy, and peace and conflict prevention/resolution by giving children a chance to see themselves reflected in the pages of a book. This increases their sense of self-worth.
