PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:

1. Briefly describe the proposed project. What will be done, when and where will the project take place, and how many people will benefit from the project? How will the project benefit the community?

RHTRC will construct a sixty-foot round pen at the riding center. This will effectively double the space available to meet scheduling needs. This will increase the services for individuals with physical, emotional, social and/or cognitive disabilities. It will also increase the number of children who can participate in day camps on riding and horsemanship.

2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be?

There are volunteer opportunities for Rotarians, but the work will be done by contract with professional builders.

3. Will the project be completed if less than requested funds are granted?

If yes, will the project be modified if this occurs, and if so, how?
Yes, the project will be delayed, but Rising Hope TRC will hold fundraisers to generate the needed funds.

4. How does this project reflect the mission of The Rotary Foundation?

This supports maternal and child health, and economic and community development.
