**No project may start until final approval is received from District 7360 and The Rotary Foundation**

**PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:**

1. Briefly describe the proposed project. What will be done, when and where will the project take place, and how many people will benefit from the project? How will the project benefit the community?

In conjunction with the Jana Marie Foundation we will create wellness kits for 10th grade students across Centre County. More than 1 in 5 adolescents experience severe mental health impairments and suicide is the 2nd leading cause of death for youth age 15-19. Jana Marie Foundation will be delivering mental health education and these kits to 10th grade students in Bald Eagle Area School District, Bellefonte Area School District, and State College Area School districts. We will be working with approximately 250 students in total.

2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be?

Proximately 10 Rotarians will be assisting in putting the assembly bags together.

3. Will the project be completed if less than requested funds are granted?

If yes, will the project be modified if this occurs, and if so, how?

Yes but the number and content of the wellness kits would be limited.

4. How does this project reflect the mission of The Rotary Foundation?

This project speaks directly to Rotary's goal goals of supporting education and children. These wellness kits provide education on stress relieving techniques and resources, as well as giving them items to assist with refocusing their energy to regain a sense of calm.
