Project Title: cardigan sweaters for Seniors

## PROJECT DESCRIPTION:

1. Describe the project. What was done, when, and where did project activities take place?

We purchased 50 cardigans which were distributed on November 5 at a program called Keep A Senior Safe and Warm. In addition to the sweaters each attendee received a goodie bag containing, food, calendars, lotion, puzzle books, snacks in short all things a senior citizen could use. We packed the goodie bags at a Rotary meeting to help Interfaith to get things ready for the half day session.

2. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? How many people benefited from this project?

Senior citizens were allowed to sign up and attend. Speakers included information about Supplemental insurance, avoiding falls( an orthopaedic surgeon talked), the fire department installed smoke detectors for attendees. Fifty people attended and benefited from the program.

3. How many Rotarians participated in the project? What did they do? Please give at least two examples, not including financial support provided to the project.

All Rotarians helped pack goodie bags at a meeting instead of having a program. Two Rotarians attended the day of the program to help with distribution of items.

4. If a cooperating organization was involved, what was its role?

Interfaith Service Coalition was the sponsor. Four Rotarians are members of that board.
