Project Title:	American Legion Memorial Statue	=

PROJECT DESCRIPTION:

1. Describe the project. What was done, when, and where did project activities take place? A bronze battle cross statue was purchased and installed at our new American Legion memorial in Ringtown in the beginning of October.

- 2. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? How many people benefited from this project? Our Legionaires were very proud of this stature when it was dedicated and they were grantified to know that people still are very thankful for their service and show it with their generosity. The whole community became a little bit closer when they realized what had been done.
- 3. How many Rotarians participated in the project? What did they do? Please give at least two examples, not including financial support provided to the project.

Six Rotarians took part in this evdeavor, from picking the statue up to helping install it, and to participating in its dedication.

4. If a cooperating organization was involved, what was its role?

The Ringtown American Legion was instrumental in picking out the statue and helpful in its placement, installation, and lighting.
