

Newly added in red

Welcome New Members!

The Rotary Club of Shepherdstown has inducted Dr. James Broomall as a new member. Dr. Broomall is an associate professor of history at Shepherd University and the director of the George Tyler Moore Center for the Study of the Civil War.

The Rotary Club of Shepherdstown has inducted

William "Will" Wooton as a new member. Wooton started his own landscaping company in Shepherdstown almost nine years ago.

Huntingdon Rotary inducted new member Doug Baker on Oct. 31. Doug is the district executive for the Huntingdon and Blair County areas of the Juniata Valley Council of the Boy Scouts of America.

ST. MARYS ROTARY CLUB

Dr. Katie Fernan visited the St. Marys Rotary Club. Katie spoke about Dream Float which is a local business she owns located on the

Million Dollar Highway in St. Marys. Katie was the guest of Rotarian Vern Kreckel III. and is pictured here with Vern and Club President Terry Hinton.

POTTSVILLE ROTARY CLUB

Pottsville Rotary Club heard from Russell Neal of Sight MD Pennsylvania in Pottsville. Russell is an optician and spoke to us about his educational experiences, his various job choices before his present job position and specifically about his volunteer work in under developed parts of the world.

In addition to the time spent in foreign countries, Russell also did volunteer work in Jonesville, VA, in 2008. This area, at that time, had a high level of poverty in part due to the closing of the local coal mines.

Three of the more recent trips that he took were to

Ghana and Haiti and then to the Dominican Republic, where they examined about 600 people and helped provide them with glasses. He also spent time on a Mercy Ship.

The trip to the Dominican Republic in 2010 was through a group called VOSH-Volunteer Optometric Services to Humanity.

His trip to Ghana was with a friend Dr. John Ackep, O.D., who founded a non-profit called ISFORVISION.org

Russell spoke of the poverty levels of the areas he has visited. He enjoys working to help people. The big item is the cost of the trips that he has to pay for from his own funds.

DOWNTOWN LOCK HAVEN ROTARY CLUB

Food, beds, safe shelter, and knowing that someone else cares. These are all basic needs, and the **Downtown Lock Haven Rotary Club** met them by giving \$2,000 back to the community.

Rotarians voted for their favorite good causes, and the club donated \$500 each to the top four choices, helping provide overnight shelter, food for students in need, beds for kids, and care packages for breast cancer patients.

Representatives from each of the nonprofits visited the club's annual open house to meet the Rotarians and receive

the donations. They are seen with Club President Marianne Lotfi, far left.

The club raised the \$2,000 during the 2022-23 Rotary year. Throughout that year, the club also donated close to \$1,300 to PolioPlus and other worthy causes, gave \$2,100 in scholarships, and set aside \$2,000 toward scholarships in 2024.

Rotarians as individuals gave \$2,200 in monetary donations to specific projects, plus 1,054 volunteer hours valued at more than \$3,350.

ELYSBURG ROTARY CLUB

The **Elysburg Rotary Club** supported Rotarian Lura Good in her "Walk for Hunger" for the Central Pennsylvania Food Bank. The Club donated \$350 for

the Food Bank. Pictured are Elysburg Rotarians Pam Yeager, Bill Bradley, Kim Holohan, Lura Good. Also participating is Shelly Wood

Be Thankful!

ROTARY CLUB OF BLOOMSBURG

The Bloomsburg Rotary recently donated \$15,000 to Agape. In the foreground holding the check at left are Agape Executive Director Eileen Chapman and

at right Karla Alexander. In back are Rotarians Dave Ford, Dean Kriner, Marty Bowman, Club President Helga Loncosky, Jack Devine, Justin Hummel, Tom Tobin, Kristina Martyniuk and Darrell Frederick.

The Bloomsburg Rotary is one of over 42,000 Rotary clubs in the world. Over 2 billion dollars has been raised from members over 35 years to eradicate Polio. Today only 2 countries still have cases. PDG Jeff Coup, the coordinator of the District's effort to raise Polio funds, spoke to the club and acknowledged three member who joined the Rotary Polio Plus Society by committing to annual donations. From left are Nancy Gentile Ford, Helga Loncosky, Coup and Dave Ford.

ROTARY CLUB OF CLAYSBURG

Claysburg Rotary visited the 3rd grade

at the Claysburg Elementary to distribute books. We had a big selection of Paperpie books that are reading approved for the 3rd grade. Each child got to pick a book of their choice.

ROTARY CLUB OF HUNTINGDON

November was another busy month for our club. [Huntingdon Rotarians](#) once again celebrated the World's Greatest Meal, this year with a pledge of \$440.00, to help eradicate polio. Long time Rotarian John Eastman gave our club an update on current statistics and initiatives designed to continue until the world eradicates this disease. John also used this program to update the club on ways our club members can continue to support Rotary causes through foundation giving. During the program, Rotarian Colleen McCloskey was also recognized as a major donor to The Rotary Foundation.

Our Rotary family also participated in several activities which celebrated local Veterans. Huntingdon Interact decorated a float for the local parade, for which they were awarded second place. Rotarians and Interactors with several of their family members

marched in our local parade, which proudly featured the winning float along with our inflatable Rotary Logo. Additionally, the local

American Legion presented a club program which outlined the services they provide veterans. Their commander, retired Lt. Col. Dianne Barben, and color guard members William Caulfield and George Green posted the flag for our meeting. It was a wonderful opportunity to interact with another service club from our area.

Pictured above left to right is club president Mark Meckstroth, Wilfred Norris, Colleen McCloskey, and John Eastman

ROTARY CLUB OF EMPORIUM

Emporium Rotary Club interacted with Rotary International and "The World's Greatest Meal Day". This day is dedicated to help eradicate Polio. Rotary has been working to eradicate polio for more than 35 years. The goal is to rid the world of this disease. Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. Emporium Rotary Brown Bagged their lunches and donated the lunch cost to the Polio campaign. Presenting the World's Greatest Meal program was Blair Lundberg and Marsha Hendrickson, pictured below.

ROTARY CLUB OF COUDERSPORT

Coudersport Rotary Club welcomed Dana Daisley to a recent meeting. Dana is in his 30th year as an Elementary School Teacher. Originally a classroom teacher, he is now the Coudersport Elementary School STEM Lab Facilitator. The program encourages Science, Technology, Engineering and Math for grades Pre-K through 6th Grade. Students are taught computer skills, coding, engineering and design, robotics, 3D printing, Gear ratios, pneumatics, drone operation and programming, animation, video editing, digital media creation, circuits, model rockets, video game creation, alternative energy and simple machines as well as much, much more. The students learn to work with partners and as part of a team to solve problems and to achieve a common goal. The program is advantageous for students with learning disabilities. Some students who don't read well may excel in the PA K'nex Design Challenge with a conservation theme, students built a model car that would generate its own electricity. They won first place at IU9 in Smethport and went on to Harrisburg, where they were one of 47 teams selected out of 20,000 entries. his type of environment.

ROTARY CLUB OF CHAMBERSBURG

The Rotary Club of Chambersburg presented the First Annual Flags for Heroes Field of Honor on November 10th - 19th on the front

lawn of Sellers Funeral Home, Old Glory Sponsor, 297 Philadelphia Avenue, Chambersburg. 200 Flags honored service

members, past and present, regardless of where they served and lived. President Brad Evans welcomed the group of attendees and Rev. Bonnie Hoffman offered the invocation with Paul Cullinane as the keynote speaker. Rotarian Kristin Sellers spoke of her father, Past Rotarian Colonel Ernest Dunning, USAF, and his service to his country. Over \$12,000 was raised with this project.

ROTARY CLUB OF BERKELEY SPRINGS

Members of the Berkeley Springs Rotary Club teamed up with members of the Boys &

Girls Club of Morgan County to make blankets for the Eastern Panhandle, WV Chapter of Project Linus. A non-profit organization, Project Linus provides new, handmade blankets created by volunteers to children who are seriously ill, traumatized, or otherwise in need. Pictured with some of the blankets that they made are front row, left to right, MaKenna H. and Sydney L. Back row, left to right, are Eva D., Stacie Rohn, Kaylee K., Josiah Wilder, Amelia D., and Daryl Cowles. Other Rotary Club members assisting included Derek Johns and Lyn Goodwin.

[MILTON ROTARY CLUB](#)

Third grade students at Milton Area and Warrior Run School Districts recently received dictionaries from the [Milton Rotary Club](#). The back part of the dictionary includes many learning experiences, such as American Sign Language, as is seen in the picture of a third grader intently studying American Sign Language. Each student received their own dictionary

that they may keep. There is a place in every book telling a little about Rotary and giving the student a place to put their name, so they can call it their own. Pictured above is Joe Kowalski, Club President Sarah Kowalski, Tom Evans and Larry Maynard.

This has been an 18 year project for the [Milton Rotary Club](#). Chairman Joe Kowalski indicated that 132 dictionaries were distributed to both Milton and Warrior Run students. Kowalski noted that, "We see the excitement of students having their own book, and especially the type of dictionary that we give with the added gazetteer and supplemental information, useful in the classroom for all subjects. The Rotary club is gratified to serve our local school students and teachers in their pursuit of a quality education by providing these dictionaries. The club always receives thank you notes from the students and it is quite apparent that the books are appreciated and will be used for many years."

ROTARY CLUB OF SHEPHERDSTOWN

More than a dozen members and friends of the [Shepherdstown Rotary Club](#) turned out on Saturday, October 28, for the Club's 36th annual fall highway cleanup along Route 230 south of Shepherdstown. In all, they collected 18 bags of trash.

Pictured below left to right, front row: Ann Baronner, Teri Biebel, Fritzie

Martin, Carol Hill, Jennifer Wabnitz, Rick Caruso; rear: Walt Eifert, Will Wooton, Jim King, Austin Slater, Charlie Smith, Linus Bicker, Bill Howard, Gary Heichel, John Williams, Matt Hoffman, Mike Hamady, and Keith Carter.

The clean-up began in 1985 when a local couple, Conrad ("Connie") Hammann and his wife Mary Ann, initiated their own twice-a-year cleanups of this stretch of Route 230 that year in response to an effort by two other local individuals, Polly Hockensmith and Peggy Sharp, to do something about the area's most littered byways.

Mr. Hammann was a founding member of the [Shepherdstown Rotary Club](#), and at his urging the Club quickly took over the Route 230 cleanup as one of its first community projects. Mr. Hammann coordinated the cleanup for the Club every year afterwards until he passed away in March 2015. Club Secretary Rick Caruso has coordinated the events since that time.

The State of West Virginia established its Adopt-a-Highway program in the late 1980s, and the Shepherdstown Rotary Club's cleanup was immediately recognized by that program. It is believed to be the oldest, continuously running Adopt-a-Highway cleanup in the state.

ROTARY CLUB OF HANCOCK

Rotary of Hancock celebrated Dr. Dan Murphy and his 45 years as a Rotarian, all served in the Rotary Club of Hancock by gifting a Paul Harris. Dr. Murphy is pictured holding his Paul Harris plus 2

with his wife Debbie in the center, and Club President Debbie Cohill on the right.

BEDFORD ROTARY CLUB

Bedford Rotary Club served their Famous Pork & Sauerkraut dinner on November 6th. This election

evening dinner has been a long-standing tradition for the Club and highly anticipated by local community members. The Club spends the day in the kitchen

prepping the delicious meal. Historically this was a sit-down dinner but morphed into "Pick up only" since Covid. Profits from the dinner will be

used in local community projects or needs.

ROTARY CLUB OF LEWISTOWN

The Rotary Club of Lewistown welcomed 31 veterans to a special luncheon, held at the Reedsville Fire Company on November 10, 2023. This marks at least a dozen of these annual veteran's day events. Musical entertainment was provided by Katie Becker, an invocation was provided by Pastor Teresa Fink and members and guests were treated to a keynote address provided by retired Colonel Vincent J. Tedesco Jr.

The annual "Invite a Vet to Lunch" event included the presentation of the flag, a musical sing-along, a great meal and an entertaining speech. Each veteran in attendance was given a decorative flag thanking them for their service. The holiday style meal was prepared by the Reedsville Fire Company. Sponsors for the day included: Metzler Forest Products, Trinity Plastics, Philips Ultrasound, Clayton Homes and Nittany Paper.

Veteran's Day Even Held HUNTINGDON ROTARY CLUB

It was GREAT to be a Huntingdon Rotarian, and Interactor as we honored our Veterans.

It started with the Veterans Day parade with our Interact Club building a float and winning second place! They also learned a lot about what it means to honor our Veterans.

Later that week Rotary had a Veterans Day program. Dianne Barban, Commander of American Legion Frank P. Hommon Post N. 24. Dianne spoke to our club about the organization and its 103 year history. Barban is a retired lieutenant colonel with the United States Air Force, serving 1977 to 2001. Along with Dianne was George Green and William Caufield. All three are members of the Color Guard, George for over 30 years and William for over 7 years. They performed the Posting of the Colors.

It was an amazing program and was perfect for honoring our Veterans.

Thank you, Veterans!

**PICTURES
AT A GLANCE**

The Rotary Club of Coudersport is joining in a worldwide recognition of World Polio Day, October 24, 2021. Billed as the “World’s Greatest Meal to Help End Polio” attendees of the October 23, 2023, meeting of

Coudersport Rotary Club at A&W West End Grill will give a donation towards the PolioPlus efforts of The Rotary Foundation of Rotary International. Pictured are Rotarians Jim Plotts, Paul Herzig, Ronnie Schenkein, Sharon Fitzgerald, Lynne Ruffner, John Abplanalp, Andrea Streich, John Leete, Jim Babcock.

Rotary Club of Hancock participated in the World’s Greatest Meal on Tuesday, October 24 to help End Polio.

The club has opted to forego their regular meal and associated cost at their weekly club meeting to instead donate those same funds to End Polio Now!

The **Rotary Club of Shepherdstown** has inducted Dr. James Broomall as a new member. Pictured is Dr. Broomall, center, with Club Vice President Cara Keys, left, and Club President, Jim King, right. Dr. Broomall is an associate professor of history at Shepherd University and the director of the George Tyler Moore Center for the Study of the Civil War. He earned his Ph.D. from the University of Florida, where he worked under Professor William A. Link, whose family, coincidentally, is from the Shepherdstown area. He also holds a master's in history and museum studies from the University of North Carolina at Greensboro and a bachelor's degree from the University of Delaware. He and his wife Tish and their three children

Simon, Henry, and Addy, live in Shepherdstown.

AT A GLANCE**

Emporium Rotary Club

held its annual Paul Harris Award Dinner at the VFW. The Paul Harris Fellow Program was established by Rotary International in 1957 to show appreciation and recognize individuals who contribute, or have contributions made in their name, of \$1,000 to the Rotary Foundation. This year's recipients are Marsha Hendrickson, Bonnie Smith, Bari Poorman, Jill Perry and Don Perry.

St. Marys Rotary Club made a donation to Wreaths across America. Pictured is Joann Struble, and Dolly Wehler along with Rotarian Rob Wilson, and Club President Terry Hinton.

Rotary Club of Coudersport Annual Halloween Parade 2023! The best turnout we've seen in years and awesome costumes! Thank you to local law enforcement and volunteers for your help!

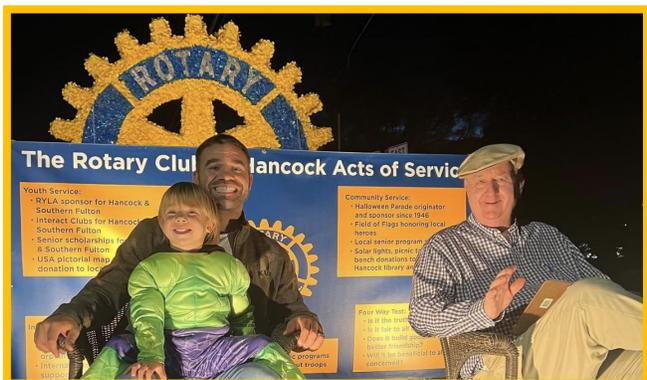

Emporium Borough held its annual Halloween Trunk- n- Treat this past Saturday. There was food and entertainment and with many businesses joining in. Along with other Rotarians having some fun with the Halloween event, the [Emporium Rotary Club](#) provided a Trunk to Treat the kiddos.

MORE PICTURES AT A GLANCE

The [Emporium Rotary Club](#) did the bi-annual Highway Cleanup in early October. The Club has a three-mile portion of highway assigned to them which started some 30 years ago. We would like to thank those Rotarians who engaged in this endeavor. Shown in the picture are Rotarians Ken Straub, organizer, Marilyn Erickson, George Sowers and Ken Gerg.

[Hancock Rotary](#) hosts their 76th annual Halloween Parade. Seated (L-R) President Elect Sean Stroosnyder and Immediate Past President Dr. Dan Murphy.

[St. Marys Rotary Club](#) recognized Rotarian Tom Fledderman for 25 years of "Service Above Self" to the club. He is pictured with club president Terry Hinton.

The [Rotary Club of Shepherdstown](#) has inducted William "Will" Wooton as a new member. Pictured left is Wooton, left, with Club President Jim King, center, and Club Membership Chair PDG Dana Orsini, right. Wooton started his own landscaping company in Shepherdstown almost nine years ago. Previously, he worked in healthcare, human resource information systems, and the automotive industry. Born and raised in Northern Virginia, he earned a bachelor's in biology from Shepherd College and a master's in public administration from Shenandoah University.

Important PolioPlus News

Notice to all club officers! All World's Greatest Meal report form (see the next page) need to be emailed to Jeff Coup (hopefully with a picture of your event, or a picture of your club Rotarians) no later than November 23rd (Thanksgiving) or you will not get credit for participating in our WGM event. We plan on adding up the reports and showing the results by club on the 24th.

Remember; the report form and picture get emailed to District PolioPlus Chairman Jeff Coup. His email address is on the form. The money raised is sent to The Rotary Foundation at the address on the bottom of the form (a Foundation Contribution Form also follows).

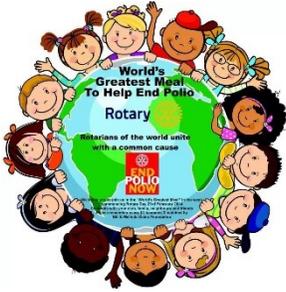

Like and follow Rotary World's Greatest Meal to Help End Polio on Facebook at the following link; <https://www.facebook.com/groups/1462743010619416> to see all the reports and pictures for our District and the rest of the world!

Call or email Jeff with any questions. Don't mess it up!!
