**Application Fee\*:** \$2150.00 This fee covers a variety of things:

- Medical Insurance
- Travel Agency Fee
- Essex Fees
- Orientations
- Pins

\*This is paid upon acceptance into the program.

**Personal Items Expenses:** Student will get a stipend from the hosting club, but will need to have spending money for special items or events they may want to participate in. This could include clothing, medication, gifts, souvenirs, etc

**Language Camp:** Various Countries require students to attend a language camp in the hosting country. Not all countries require this.

**Host Country Insurance:** Many countries require students to purchase an insurance policy from the country. Students visiting countries that have this requirement will have the USA insurance switched to a smaller plan and be refunded the difference between the cost of the two plans. All Outbound Students MUST have Cisi-Bolduc USA Insurance.
