

Message from the District Governor and District Governor Elect Craig Devenport and Samantha Maruzzelli

Congratulations to the President Elects of District 7410 who attended PETS. This training is an essential part of preparing new Rotary club leaders and returning leaders, for their roles, providing them with the necessary skills, knowledge, and resources to effectively lead their clubs and serve their communities.

During this training, participants learned about Rotary's mission, values, and programs, as well as the responsibilities and expectations of club leaders. They have also received guidance on strategic planning, membership growth, fundraising, our foundation, and public relations, among other topics.

By attending this training, future Rotary leaders in District 7410 are better equipped to fulfill their duties and make a positive impact. They also had the opportunity to network with other club leaders to exchange their ideas and best practices, which can lead to stronger and more successful clubs. Collaboration is key to Rotary's success, and it is vital to work closely with other Rotary clubs, district leaders, and community partners to achieve common goals. We need to use the collaboration skills learned at PETS to build strong partnerships and work effectively with others.

We will develop our District so all people are included by using the skills learned to create a welcoming and inclusive environment. We must be engaging to new members. Growth in members and retaining current members must be a top priority to continue Rotary. Building Rotary's future for our children, grandchildren, and great grandchildren is our gift to our future.

District 7410's Assistant Governors had their own training at PETS. Their training in communication skills will help them effectively convey important information, such as updates on district initiatives to the

clubs they serve. This helps clubs stay informed and engaged with district activities, promoting collaboration. AG's also play a key role in supporting and developing club leaders. Training in leadership skills will help them provide guidance and mentorship to club presidents and other club members. This will help clubs become more effective and successful in their service projects and community initiatives. Problem-solving with the help of Assistant Governors will provide support to clubs to address challenges and overcome obstacles.

President Elect Training Seminar is a valuable investment in the future of Rotary. By implementing these tips and utilizing the skills learned at PETS, we can move forward in Rotary and make a positive impact in our communities. Remember that Rotary is a journey, and with dedication and commitment, we will make a difference in the world.

Yours in Service,
DG Craig Devenport

Club responsibilities include host families, a monthly stipend and 2 members, who will be a counselor and the another who will be the YEO (youth exchange office).

It is a rewarding and enriching experience for the club, school and families- as many clubs can attest.

Training is available and takes approximately 1 -2 hours. The student arrives in August and returns in June.

Please contact Anne Sehne by cell 570-241-8101 or email asehneyeo3@gmail.com

She is available to answer any questions!

District Committee Needs

The district has some positions that need to be filled with Rotarians throughout the District.

Are you interested in working with the Youth in the District? If so consider one of the following:

Youth Service Chair

Rotaract Chair

Interact Chair

Youth Protection Officer

Are you interested in the Foundation Committee? Consider one of the following:

Annual Fund & Fundraising Chair

Polio Plus Chair

We also need:

Alumni Chair

Also a few years ago we combined Area 5 into Area 4 and 7. It would be great to get an Assistant Governor for Area 4.

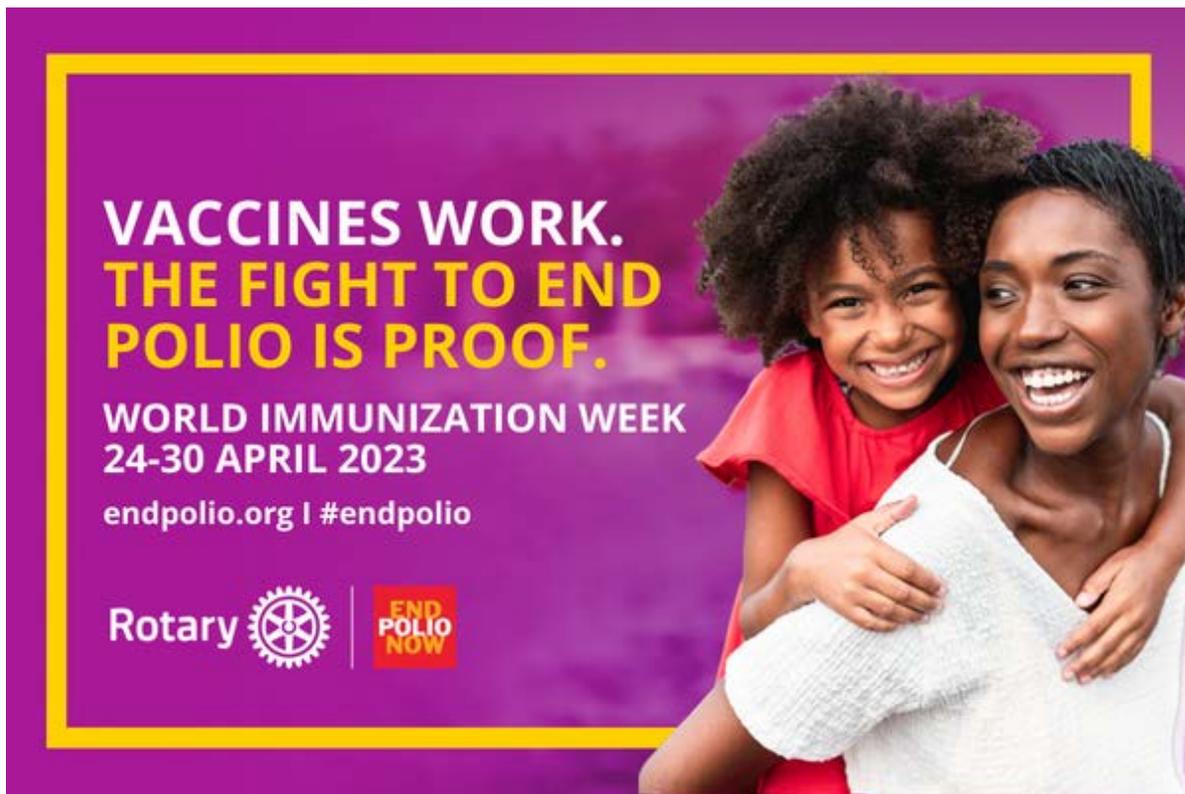

The district also needs to build a strong membership committee so if you are interested in being a part of that committee please reach out. If you don't feel you could be a committee chair but are still interested in serving on a committee or know someone that would be interested please don't hesitate to reach out to me or DG Craig, DGE Samantha or DGN Bill.

If you have any questions on any of these committee, please don't hesitate to ask me? Also, just because the committee's above are what is needed don't hesitate to ask about any committee's within the district. The district is here to support the clubs and that can not be done with out members of the clubs on these committees.

During World Immunization Week, 24-30 April, join us in advocating for polio eradication and the importance of vaccines.

As one of the greatest advances of modern medicine, vaccines are safe, effective, and save millions of lives each year. Our progress in the fight to end polio is proof that vaccines work.

The Global Polio Eradication Initiative estimates that the polio vaccine has saved more than 20 million children around the world from paralysis. However, approximately 12.5 million children are totally unvaccinated.

They are known as zero-dose children, and vaccinating them is critical to stopping polio for good.

RYLA

It's that time of year again – time to start thinking about RYLA 2023! This will be the 11th year Rotary District 7410 will host this wonderful leadership program for our area youth.

What is RYLA? RYLA is an acronym for Rotary Youth Leadership Awards and is a highly-curated program that provides leadership training to our area young people. From ice-breakers and team-building activities to motivational speakers and hands-on workshops, RYLA offers the opportunity to connect with peers while learning valuable leadership lessons. The schedule is full of activities that engage the conferees physically, mentally, and emotionally to strengthen their relationship skills, build their confidence, and give them the tools they need to be leaders.

RYLA is open to NEPA students who recently completed 10th grade. A local Rotary Club must sponsor students and there are only 80 spots open each summer. This year, RYLA will be held at Keystone College from Sunday, June 25 through Thursday, June 29, 2023. The cost to send a student is \$375.00 per person. Certainly, a deal for a 5-day leadership camp!

The application will be available online. Applications are open, and the link can be found on the website: tinyurl.com/RYLA2023APP. Click on the “What We Do” tab on the homepage to find the application for RYLA 2023. Please download the five documents for the information and the link to the application.

The true strength of the RYLA program is that it's for students, by students. Every RYLA attendee can apply to be a Junior Counselor to help lead the next year's conference. After a successful year as a Junior Counselor, staff can progress in the program to serve in a Senior Counselor role. Beyond that, positions are open for Program Director, Facilities Director, Conference Director, Counselor Director, Conferee Liaison, Media Director, and more. Not only does the program teach leadership skills, it also allows students to grow into leadership positions and apply what they learned when they were a conferee.

Rotarians in northeastern PA have been supportive of RYLA. Thirty-five out of the 42 clubs in District 7410 have sent students to participate in the program over its history.

Will your club be sending students this year?

For more information on RYLA, how your club can send a student, or how you can get involved with this exciting district-wide program, please contact RYLA Chair Amy Leiser at RotarianAmy@gmail.com, RYLA Co-Chair Dave Palmer at davesolopalmer@gmail.com, or RYLA Registrar Karen DeMatteo at karenandrotary@gmail.com.

THANK YOU for supporting RYLA!

You're Invited! First Ever Housewarming Shower for VIP

On Sunday, April 30th at 2pm, the Honesdale Rotary is hosting a first-time-ever housewarming shower for clients of the Victims Intervention Program (VIP) which offers professional and confidential help to victims of domestic abuse. Many of these victims often have to start new lives in new places as they recover from their trauma. They need basic items, such as bed linens and cutlery. The community is invited to bring housewarming gifts and donations to a fun event.

"We'll have games, raffle baskets, light fare and refreshments," says Alycia Schwartz, co-chair of the event, which will take place at Grace Episcopal Parish Hall, 827 Church Street.

"This is a very worthy cause," added Schwartz, "Sometimes VIP clients escape abuse with no more than the shirts on their back. And, many of them have children who are also in need." VIP Executive Director Michele Minor Wolf is looking forward to the event. "We are very grateful for this opportunity, which has not been done before," said Wolf. "When victims of domestic violence or human trafficking come to our shelter, we give them a full set of new bedding, including sheets, pillows, towels and a comforter. When they exit the shelter, they can take these with them. We also give a few things to the children that they can call their.

"It's important to us that the people we shelter are treated with respect and dignity. A new set of bedding and towels and a stuffed animal provides some comfort in a very distressful time."

VIP started in 1988 as a non-profit crisis intervention service, but today provides so much more: legal assistance, shelter, advocacy, counseling and education. Emergency services are available 24 hours/day, 365 days/year. Call (570) 253-4401 or (570) 296-HELP.

Wondering what to bring? Donations are welcome but VIP does have a wish list on Amazon. Click on <https://a.co/bh63tT3> to find out more. Desired items include comforters, pack-n-play sheets, portable baby bouncer, non-stick bakeware, tumblers and kitchen utensils.

Club Recap

The Rotary Club of Scranton has been very busy in the month of March. We had some interesting and diverse speakers address the Club at our meetings.

These included Heather Schreiner from Special Olympics, Keith Williams and Keith Loughney from MyCIL, and Dave Falchek, the Chair of the City of Scranton's Board of Ethics.

The Club was happy to install Sue Coccadrilli from the Hilton Scranton and Conference Center as the newest member of the Club.

Thanks to Heather Schreiner for addressing the Rotary this week and updating us on all that the Special Olympics organization is doing in our community.

Thank you to Keith Williams and Keith Loughney from MyCIL for addressing the Scranton Rotary today. They discussed a number of the many services that MyCIL provides to the community.

Sue Coccadrilli from the Hilton Scranton and Conference Center was recently installed as the newest member of the Rotary Club of Scranton.

Sayre Rotary Wins “The Battle for the Shoe”

The members of the Athens, Sayre and Waverly Rotary Clubs recently met for battle on the lanes of the Valley Bowling Center in Waverly, NY to vie for their cherished trophy: The Shoe.

The trophy has been in the possession of Sayre Rotary as winners of the annual contest last year. With their win this year the trophy will remain in their possession. Each year the Valley Rotary Clubs meet for lunch at the Valley Bowling Center, after which they have their bowling match.

A good time is always had by all attending: those who bowl and those who cheer. Shown are various members of the Athens, Sayre and Waverly Rotary Clubs and Waverly Junior Rotarians with Nancy Brittain of Sayre Rotary holding the Shoe Trophy.

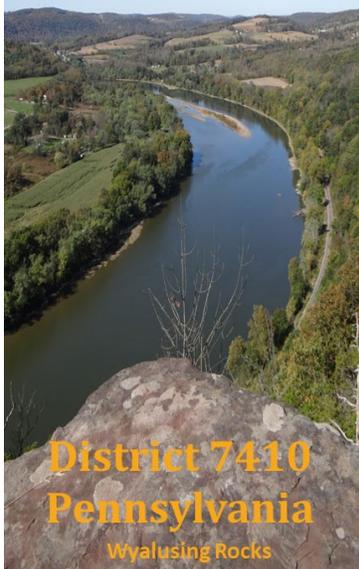

Rotary is one of the oldest service organizations in existence, having been formed in 1905. Rotary’s motto, Service Above Self, exemplifies the humanitarian spirit of the organization’s more than 1.2 million members.
