

Message from the District Governor

Craig Devenport

I am currently involved in visiting each of the clubs in our district. My wife, April and I have visited thirty clubs so far and almost all remaining are scheduled. What a great way to start my DG year!

I often get overwhelmed with juggling Rotary events if they are not presented in an organized manner. I encourage you to prioritize what areas of Rotary are most important to you that you wish to participate in. What helps your club grow the most. Then organize your calendar to include these projects only. We cannot do it all. Together with our fellow Rotarians we will continue to do good works for those we serve.

One of the first steps I have taken is to create a Rotary related calendar of events that are important to me. I want to share this information with you.

1. Finalize my club visits before the end of October.
2. October 24th: World Polio Day.
3. November 4th & 5th: District Conference in Tunkhannock at Shadowbrook Resort. Details on our website.
4. November 30th: Check and remind clubs to have their President Elect in place and on Club Runner.
(If you do not use Club Runner you can add through the District Club Runner)
5. January 1st: Register for the President Elect Training Seminar (PETS). There will be a possible discount for early registration.
6. March 24rd-2sth: Attend PETS.
7. April 15th: Attend the Rotary Leadership Institute (RLI).
8. October 31st: Deadline for Student Exchange next year.

Enjoy your September in Rotary Imagining your club's future and working toward your goals.

Yours in Service,

Craig Devenport DG

ROTARY DISTRICT 7410 POLIOPLUS SOCIETY APPLICATION

As a Rotarian and supporter of Polio Eradication, Rotary's #1 international priority, I wish to participate in this child focused humanitarian effort as a member of the PolioPlus Society of Rotary District 7410.

I hereby commit to making an annual donation to the PolioPlus program of the Rotary Foundation as follows: (select one)

- ☐ \$100 per year to PolioPlus (this is the minimum amount to become a PolioPlus Society member)
- ☐ A contribution of \$_____ per year to PolioPlus (more than \$100)
- ☐ A contribution of \$_____ only this year; unfortunately, I cannot do this every year

Society members will receive a PolioPlus Society membership pin and Paul Harris credit. Make your donation online at www.rotary.org/donate and select the Polio Fund, or through your Rotary Club. If made on-line, one can establish a recurring donation.

E-mail or mail this completed form to the District PolioPlus Chair at davesolopalmer@gmail.com or Dave Palmer, 443 Mateer Road, Hop Bottom, PA 18824. Contact Dave for questions at 570-498-6637.

Until the last child is immunized, and the world is certified polio-free, every child is at risk.

Your PolioPlus Society pin will be presented to you at your club meeting or other appropriate meeting you might desire, to insure you are recognized for your commitment to eradicating polio from this earth.

PolioPlus Society

Fresh into the new Rotary Year, our PolioPlus Society is now at 37 members! With the recent emergence of polio in New York State, it is now more important than ever to renew our fight against this dreaded disease. We can individually help this effort with our annual membership in the Rotary District 7410 PolioPlus Society. So, it is time to renew our memberships in the Rotary District 7410 PolioPlus Society or, if you did not register in our inaugural year last year, you can join now.

Membership is amazingly simple and requires only a \$100 contribution to the Rotary Foundation for Polio. Chances are many of the 1,000 plus members in our district have already donated that \$100 but have not registered to join the society. Joining is simple.

Just fill out the form you see each month in the District Newsletter or on the District Website and send it to me along with a copy of the acknowledgment/receipt you receive from Rotary International after you make your on-line donation, or just send me the check made out to the Rotary Foundation, place "PolioPlus" in the memo section of the check, and I'll take care of the rest. AND I'll present you your PolioPlus Society pin at a Rotary event of your choice. I have plenty of pins- get one! And if I run out of pins, I'll get more. Come on- make me run out!

As we like to say- Polio, "it is only an airplane ride away." So, it isn't over yet. The key to its eventual demise (like smallpox) is still vaccination of children. Vaccinations..... sound familiar?

END POLIO NOW ...The World is Waiting

Harford Fair Booth 2022

Rotary District 7410 proudly presented the Rotary colors at the 164th annual Harford Fair from 15-20 August. Twenty-four Rotarian volunteers from twelve District 7410 Rotary Clubs helped cover the booth, providing information to the viewing public about Rotary. The fair attracts an average of 50,000 visitors each year, and the exceptional weather this year promised a similar showing. The fair offers a cost-effective way to spread the public image of Rotary. At least one new membership resulted, with three other potential new memberships in discussion with the club membership chair. In addition, ninety-two dollars in donations to End Polio Now was realized. The New Milford Area Rotary also realized \$140 for its on-going 50-50 Raffle Ticket sales.

Such fairs are annual occurrences in each of the ten (some would argue 11) counties of Rotary District 7410 and offer Rotary club's ideal venues to spread the word about Rotary.

Railriders Baseball Game & Rotary District 7410 PolioPlus Fundraiser

The Public Image Committee & the Membership Committee Donated 20 Railriders tickets to the local communities in the Railriders footprint

This effort was idealized to bring awareness to Rotary and District 7410. District members were tasked with giving these tickets away sporadically and on a whim.

Creating goodwill, making someones day, and spreading cheer to 20 random people or organizations to attend the game courtesy of Rotary District 7410!

Evelyn Pope, Jessica Pope's daughter, was so excited to be a part of this fun initiative!

Railriders Baseball Game & Rotary District 7410 PolioPlus Fundraiser

August 14th marked the return of Railriders Baseball to the variety of PolioPlus fundraising opportunities and public image events for Rotary District 7410. This year's game realized the purchase of 132 tickets for \$660 raised for the Rotary Foundation and PolioPlus. In addition, for the first time the Railriders organization provided 100% of all proceeds from the Community Organization of the Game (COG) Store to our effort. In the end a total of \$760 was raised. With the matching feature offered by the Gates Foundation, the District hit a home run with \$2,280 raised for PolioPlus.

Also a first this year was our collaboration with the Northeast Immunization Coalition and the Pennsylvania Immunization Coalition. Each organization provided handouts and representatives at our COG table to highlight and encourage immunization efforts. This effort supported the December 2021 Rotary "Call to Action to fight COVID."

Fellow Rotarian Carol Ferguson, Founding Director of the Pennsylvania Polio Survivors Network provided the game's radio interview and threw out the ceremonial first ball. Carol was accompanied by her Grandchildren and husband.

Next year's game is already in the plans and is to include a return to traditional paper tickets, as we continue the fight to "End Polio Now."

Hazleton Rotary President Elect Michele Kushmeder and President Lisa Marie Halecky introduced the new 7410 Rotary District Governor, Craig Devenport, to the club at their weekly meeting on Wednesday, August 10th .

Hazleton Memorial Scholarship winners 2021-2022 Darren Zheng and Louis DeAngelo updated the club on their 2nd year of college activities and thanked them again for the four year scholarship provision they each received. Zheng was awarded \$2,000 per year for four years and DeAngelo was one of two winners of \$1,250 per year for four years.

August 2022 Report

District Governor, Craig Davenport visited us and gave an overview of RI and District activities.

Donations: Second Harvest Food Bank - \$100; Carbon County Friends of animals - \$250

Membership: Mr. Robert Presley, New Superintendent of the JTASD, will be applying for membership. A mixer will be held at the Wild Elder on Sept 13 and potential members will be encouraged to attend.

Mad Money Raffle: Solicitation letters for the raffle (prizes: \$500, \$300 and \$200) were mailed - drawing date, Sept. 20.

Ghost Walks: our major fundraiser, will begin on Sept. 23. The online registration and ticket purchase is being worked out. A "mock Ghost Walk" was held on August 16 and 17 members and or family and friend participated. After the Walk, members attended a "Tithing Tuesday" at the Union Publick House. The latter donated \$250 to the Rotary (10% of the proceeds) our club. Information on Ghost Walks is available on our website (<http://www.jimthorperotary.org>), our club's Facebook page (<https://www.facebook.com/JimThorpeRotaryClub/>) or the Ghost Walks Facebook page (<https://www.facebook.com/JimThorpeRotaryGhostWalks/>).

National Night Out: five members attended to promote Rotary and raise money. We sold icy pops and Mad Money tickets. A 'thank-you' for our participation was received from the Jim Thorpe Police Department.

Summer Recreation Program: ended on August 11. 125 children in grades 2 – 6 enrolled and participated in art & crafts, a STEM program, games, sports activities, etc. They received breakfast and a delicious lunch (courtesy of SHINE). The Program was free-of-charge to the participants.

Childcare Program: in cooperation with Lehigh Valley Children's Center and the Jim Thorpe Area School District, we continue to work out the details of setting up pre-K, and before & after-school programs.

Carbon County Friends of Animals: Director, Dana Dunbar reviewed the program. It is a cat-only shelter. We collect items (paper towels, cleaning solutions, cat/kitten foods, litter, etc.) once per month and donate them to the CCFA.

Covid Update: Club member, Dr. Clem McGinley, presented an update on covid and answered members questions.

Jim Thorpe Rotary Ghost Walks Kicks Off 2022 Season

For 23 years, the Jim Thorpe Rotary has held the annual Ghost Walks from September to December. Lantern-wielding costumed storytellers have shepherded thrill seekers through the historic streets of Jim Thorpe. Men, women, and children, couples and families, stroll around the West side of town, formerly known as Mauch Chunk. Tales of eerie happenings, intermixed with the history of the town are woven together to form an interesting narrative. The people who built these fantastic structures are long gone, but thanks to the art of storytelling, participants in the ghost walks are transported to another time to learn about the lives of past residents – and how they ended.

Club president, Jeanne Miller, a member for over 20 years explains: “The wonderful thing about the Jim Thorpe Rotary Ghost Walk is that not only is it a fun experience, it also supports the children and families in our community.

What many may not realize is that this endeavor is a charitable operation. Jim Thorpe Rotary has organized the Ghost Walks since 1999 and have raised over \$190,000 to fund local community programs such as a free 8-week long summer camp for children, scholarships for graduates, a Christmas clothing drive for needy children, and funding local charities and organizations.

Clem McGinley notes: “It’s a very popular activity that requires a lot of volunteer effort/coordination with all our Rotary members and guides (who run the walks). The Ghost Guides are excellent and the success of Ghost Walks is directly attributable to them. Our current guides are Casey Parker, Eric Bloom, and Kelly Fritz, with Mindy Mankyo filling in as needed. Of course, there are many other guides who have contributed over the years, and deserve credit too.”

In 2021 alone, the Ghost Walks entertained more than 1,000 people. Bob Stevenson & Mary Mulligan and Clem & Sophie McGinley have done most of the coordination: scheduling Ghost Hosts & Ghost Guides, selling tickets by phone, managing finances, etc. This year, the club is excited to announce that they have moved the ticket sales online to make it easier for participants and organizers alike. Tickets for the 2022 Jim Thorpe Ghost Walks go on sale online starting this Friday, August 26. Visit <https://www.jimthorperotary.org/> for more information.

Tickets: \$15 (13+); \$5 (12 and under). Not recommended for children 7 and under. Rain or inclement weather may cause cancellation.

Former Swedish Exchange Student Visit

On Thursday, Aug 18 Tunkhannock Rotary's guest speaker was Lars Persson, 1971-1972 Rotary exchange student from Boden, Sweden. He had returned for the Tunkhannock Area High School 50th reunion for the class of 1972. Several of his former classmates also attended the Rotary luncheon and shared memories of Lars' time in Tunkhannock.

Lars now lives outside of Stockholm in Åkersberga, Sweden. He is retired from a director position at the Stockholm School of Economics.

He talked about Eastern European Economic Opportunities. He shared with the club some of the activities of the School of Economics and some of the economic impact of the conflict between Russia and the Ukraine.
