ABOUT THE EVENT

The Rotary Club of the Plainfields will present Student of the Month awards to deserving seniors at South Plainfield High School during the school year.

The school's faculty, guidance staff, and administration work together to select two students deserving of recognition. The students' names are prominently displayed on the electronic message board on Plainfield Avenue.

Once each quarter, the Rotary Club will host the students at an awards breakfast at the Park Avenue Diner. Students will attend with family members and faculty representatives.

Each student will receive a Student of the Month Award certificate and have the opportunity to speak about scholastic and personal interests, community involvement, and other achievements.
