

Rotary Club of the Plainfields

Founded December 1, 1921 - Charter #1034 - District 7475 - Club #5656
www.RotaryPNP.org

Information for Prospective Members

Rotarians are business and professional leaders who take an active role in their communities while greatly enriching their personal and professional lives. A Rotary club contains a diverse group of professional leaders from the community that the club serves.

Membership in a Rotary club offers a number of benefits, including:

- Effecting change within the community.
- Developing leadership skills.
- Gaining an understanding of — and having an impact on — international humanitarian issues.
- Developing relationships with community and business leaders.

Through Rotary's service programs, a Rotary club can have a significant effect on the quality of life in its community. Rotary Foundation programs offer opportunities to form international partnerships that help people in need worldwide. Some 1.2 million Rotarians in 33,000 clubs in more than 220 countries and geographic areas make significant contributions to the quality of life at home and around the globe.

Resources for Prospective Members

Our Club has been an active partner with our communities since 1921. We provide service opportunities to youth, seniors, and to all people. Our active scholarship program is exemplary; our support for the Rotary Foundation's effort to eliminate polio is on-going. Our Dictionary Project helps all third graders in both communities. For more information about our club, please visit our website - www.rotarypnp.org.

To find out more about Rotary International's rich history and the organization's mission and structure, visit the RI website (www.rotary.org) and see [About Rotary](#). You can also explore recent issues affecting Rotary at [News & Features](#).

Rotary

Becoming a Rotarian

An association of some 33,000 autonomous clubs in more than 220 countries, Rotary International is one of the world's largest service organizations. The goal for a club's membership is an up-to-date and progressive representation of the community's business, vocational, and professional interests.

An important distinction between Rotary and other organizations is that membership in Rotary is by invitation. Rotary clubs invite individuals to join and become members.

Membership is vital to a Rotary club's operations and community service activities. A primary goal of the club is to continually expand the club with committed members who have the interest and ability to get involved in service and humanitarian projects. Prospective members are expected to:

- hold — or be retired from — a professional, proprietary, executive, or managerial position or from a community leadership position or otherwise be able to participate in Rotary meetings and activities;
- have a true interest in helping others with a group of like-minded people;
- *have the capacity to meet the club's attendance or community project participation requirements;*
- live or work or serve within the locality of the club or the surrounding area.

The membership process:

A person being considered for membership is invited by a member/sponsor to submit an application that is forwarded to the club's membership committee or Board of Directors. After membership is approved, the prospective member is sent an invoice for dues and membership fee. The new member is invited to a meeting and is inducted into the Club.

Classifications: professional representation:

Rotary uses a classification system to establish and maintain a vibrant cross-section of the community's business, vocational, and professional interests among members and to develop a pool of resources and expertise to successfully implement service projects. This system is based on the Rotary founders' paradigm of choosing cross-representation of each business, profession, and institution within a community.

Information for Prospective Rotarians

A classification describes either the principal business or the professional service of the organization that the Rotarian works for or the Rotarian's own activity within the organization. Some examples of classifications include: clergy, consulting, social service, education, medical, banking, insurance, retail, and web development.

Responsibilities of Membership

Rotary club membership carries with it certain responsibilities.

- *Members are encouraged to attend as many weekly meetings of the club as possible (generally 50% over six months). Activities that count toward attendance include attending our club's regular meeting or that of another Rotary club; attending various other Rotary events; participating in Club projects; or attending Club or District committee or board meetings.*
- *Members are required to pay annual dues which include meals and dues for District 7475 and Rotary International. Dues are currently \$150 plus \$14/week for luncheon expense, and are invoiced \$212.50 per quarter, or pay in full, or make other arrangements. The Board may approve payment of the membership dues only and then payment of the luncheon fee whenever the member attends.*
- *Members are expected to participate in club service projects and support other club activities. (These count toward attendance.)*
- *Members are encouraged to aspire to leadership or committee roles, both within the club and within the District.*

Interested in the Rotary Club of the Plainfields?

If you are ready to make a commitment to serve the communities of Plainfield, North Plainfield and South Plainfield, and to support Rotary activities on an international scale, please fill out the membership application.
