

President Elaine, you are being highly regarded today, as a multiple Paul Harris Fellow, in special recognition for the numerous ways in which your life of service and leadership exemplifies the humanitarian and educational objectives of the Rotary Foundation, our club and community.

You are designated to receive this one sapphire Paul Harris lapel pin, in appreciation for your leadership to the Rotary Club of Lexington Lunch. Elaine has been the past president of the RAOC board of directors, a past president of the Lexington Sunrise Rotary Club, a founder of the Rockbridge Coffee House for people with disabilities, and past president of the DSLCC Educational Foundation board.

On behalf of the members, we extend our sincere thanks to you for (1) your willingness to serve as the RC of Lexington Lunch's first president, (2) guiding us and setting strategic club direction, (3) establishing agendas, leading meetings, giving us a place to meet, (4) challenging us to set clear and defined policies and procedures, bylaws, etc. and (5) inspiring (empowering) members to be engaged and vibrant in the life of the Club.

With deepest gratitude, for your distinguished leadership, individual talents, and untiring devotion as our very first president, we applaud you, Elaine!
