

Rotary

District 7570

November's Governor's Message

November is Foundation Month in Rotary, making this the perfect time to show what the charitable arm of Rotary is capable of. We all know the history. The Foundation began in 1917 with a contribution of \$26.50 from a club in Kansas City but has grown to annual contributions in the millions of

dollars. In 1928 the endowment was renamed The Rotary Foundation (TRF) and became the source of all the great work of Rotary. Through our donations to the Foundation, we can offer district grants to clubs, contribute to the End Polio Now campaign and fund many global grants. I would like to thank everyone who contributes to TRF. Whatever donation—big or small—that you give, will make an impact somewhere in our world.

Your gift helps create lasting change, from supplying filters that purify drinking water to providing vital medical equipment and ambulances, to sending computers and schoolbooks to students the world over. This year, our district grants will provide thanksgiving baskets in Buena Vista, warm clothes for students in Johnson City, a camp pool fence in Scott County, an outdoor musical park in Russell County and will provide much needed reading resources to an elementary school in Blacksburg. That is just the tip of the iceberg for the good we will do in District 7570 this year. I'm so proud of our district and all we do.

Our Legacy campaign continues until the end of this Rotary year. We will celebrate our success at the 2024 District Conference at the Inn at VT. If you would like to be a part of it, please contact me or DRFC Tim Carter. We can get you started. Thank you so much for your support and your generosity.

World Polio Day Tailgate at VT Football

District 7570 Polio Tailgate at the Virginia Tech Football Game raised \$595 which included 2 club sponsorships- Thanks!

The Giles County Club | Scarecrow Contest & a Win!

We have had this wonderful scarecrow set up in Pearisburg all month (October) as part of the Pearisburg Merchants Association Scarecrow Contest. Voting results are in and we've placed 3rd in the Traditional Scarecrow category.

We ran with DG Paula's theme of literacy and you can see our scarecrow is reading a book to the little pumpkins. Literacy is

important! Our creative members built this as a club meeting in early October.

Happy Fall ya!!!

Rotary's Learning Center

Have you ever found yourself asking, "what?" when you hear about a Rotary project, resource, or event? New and veteran club members should use their time in Rotary to learn more about the organization and the efforts we undertake throughout the world. Luckily, Rotary International has provided us with The Learning Center, which can be accessed here: <https://my.rotary.org/learn>. (You will need a Rotary.org login, that is different than our District login.)

Similarly, there are many interesting and insightful reads on the Rotary.org website, like those found here: <https://my.rotary.org/en/knowledge-and-resources/resources-and-reference>. (No login required for the landing page and some resources.)

Perhaps, since it is Foundation Month in Rotary- this will be your encouragement to learn more about the history, Board, and efforts of our Rotary Foundation, through The Learning Center or browsing the website. *Enjoy!*

Submit your content for future issues of The Informer

Can you elaborate on a club project or activity? Do you have a reflection on your time in Rotary? We hope you'll consider typing that up and sharing it with us, possibly to be included in a future issue of The Informer. It's very easy to do. Simply email [Cora](#) (click name to send email) with 1-2 paragraphs or a list of bullet points you'd like to share. If you can also attach and send along a picture, that is helpful. Once received, we will reach out if any clarification is needed and you just might see your story in your inbox soon.

Thank you for all you do for Rotary District 7570 & your communities...
