

About Today's Rotarian of the Month

This Month We Honor Don Fisher to Acknowledge What He Has Accomplished

Don Fisher

Don Fisher was born in Philipsburg, in central Pennsylvania. He spent his first two years on a farm before moving to his grandparents near Williamsport for the next six years and then on to Harrisburg, where he graduated from Central Dauphin High School in 1961.

Don was in band, chorus, Boy Scouts (Eagle with Bronze Palm), Luther League DeMolay (a Masonic Youth Organization), Church Choir, Bowling League and more . . .

He went to work at Arthur Young & Company and became a CPA. He moved into banking as the CFO of a small bank in northern Virginia. This bank merged with Virginia National Bank in Norfolk and he became an executive VP and CAO with Sovran Financial Corporation. He retired from this position.

Don has been a Rotarian for more than 15 years and has been active in our club continuously, serving in different capacities, including as our financial officer during this time.

Don lives in Suffolk with his wife Margel with whom he is very close and pays special attention to her needs.

His words of advice to live by are familiar and very special: "Always service above self"
