

History of the South Hill Rotary Club 1928 - 2011

The following is a compilation of the history of the South Hill Rotary Club, initially researched and written by Rotarian Frank L. Nanney, Jr. It is not an "all inclusive" history but, rather, a representation of some of the events and programs through the club's many years of existence.

This South Hill Rotary Club History was started in Rotary year 1999 – 2000 under Club President Warren Matthews and continued through 2000 – 2001 under Club President David Frazer. The project, covering the South

Hill Clubs History from 1928- 2001, was considered complete at that time.

In Rotary Year 2010 – 2011 Club President Randy Cash approached Frank Nanney, the author of the original History, and asked if he would complete the History through July 2011 and the change of leadership to the incoming Club President Judy Jacquelin. Rotarian Frank agreed and began to work on the project.

Upon completion the pages were presented to the club and Rotarian Frank indicated that it was almost more work to complete these 10 years than it was to complete the original History to the 73 year mark due to the drastically increased activity by the club.

Club President Randy Cash awarded Rotarian Frank the "Above And Beyond Award" for this undertaking. Copies of the finished History were printed by Dogwood Graphics of South Hill and given to the active members of the Club.

A Look at the History Of the South Hill Rotary Club 1928 - 2001

Although not organized until later in the year, several South Hill men were entertained on January 12, 1928, by the Petersburg Rotary Club. Hiram Wall and George Radcliffe gave a response for the South Hill men. Dr. H, M. Snead, who had lived in South Hill for 15 years prior to moving to Petersburg in 1927, was one of the men instrumental in getting a Rotary Club started in South Hill.

On May 4, 1928, five Petersburg Rotarians came to South Hill, went around town, and in a short time had more applications than needed to charter a club in South Hill.

On May 10, the group gathered and elected its officers for 1928-29 as follows: George Radcliffe, president; C. C. Patterson, vice-president; and S. P. Anderson, secretary/treasurer. Directors were H. L. Fowlkes, Hiram Wall, A. W. Jeffreys, W. E. Jolly, and J. S. Dortch.

The twenty-two charter members were:

S. P. Anderson	V. M. Mason
M. M. Carver	H. S. Montgomery, Sr.
J. C. Clement	F. L. Nanny, Sr.
B. W. Copley	I. T. Nanny
Dr. J. N. Davis	C. G. Patterson
J. S. Dortch	H. T. Perkinson
H. L. Fowlkes	George Radcliffe
Y. M. Hodges	J. S. Saunders
William Hunter	C. E. Vassar
A. W. Jeffreys	C. W. Vick
W. E. Jolly	Hiram Wall

The first committees consisted of:

- Classification Mason, Perkinson, Fowlkes.
- Fellowship Hodges, Carver, Hunter, Vassar.
- Program Montgomery, Jeffreys, Jolly, and F. Nanny.
- Attendance Copley, Clement, Saunders.

Following its formation, the South Hill Rotary Club held its first meeting on Friday, June 8, with supper at 7 p.m. at the Lincoln Hotel Restaurant.

On June 15, William H. Surber, of Charlottesville, Governor of the 56th Rotary District, spoke to the club. The meeting time and location were set for 7 p.m. each Friday at the Lincoln Hotel Restaurant.

For its first few meetings, the club had visiting Rotarians come in to help conduct the meetings. On June 22, the Henderson, N.C. Rotarians were present. On June 29, the Oxford, N. C. Rotarians were present.

Thus, the South Hill Rotary Club became an integral part of the Town of South Hill.

Jack Weymuth, of Hampton, Rotary District Governor, visited on November 9.

A Pop Quiz...

There were several interesting things that took place, or happened, which you will read more about later. But, first, let's see how many you can remember?

- The club lost one president through death before he could fulfill his term of office. He died just three months before his term was up. Can you name him and what year?
- The club sponsored a Buy a War Bond month and used a special reason to buy bonds on April 28, 1943. Do your know what that "special reason" was? You can find out more about that in the 1943 information.
- Name the four presidents who resigned from office - two due to moving away and the other two to join the military.

- In 1991, the club elected its first female president. Surely you remember her. If not, just keep reading.
- The club has had a number of meeting places during its existence. Can't begin to name all of them or in the correct order, but some were Lincoln Hotel Restaurant, Hotel Nordan Restaurant, Blue Bird Tea Room, South Hill High School Cafeteria, La Crosse High School Cafeteria, West End Restaurant, Holiday Inn, Brian's Steak House, Seclusival Restaurant, and Best Western. Where was the club meeting when you became a member? And, which one burned down one Thursday afternoon less than two hours before the club's meeting? Also, can you remember what year?
- Which member was elected vice president, resigned, and four months later rejoined the club, took over as vice-president again, and then was elected president for the new year?
- Which two members were the "bride and groom" in a womanless wedding sponsored by Rotary? ... And the year?
- What year did the Rotary Club elect two vice-presidents?
- What year did the club vote to meet biweekly, and what year did they go back to meeting weekly?
- When the club organized, they met on Friday evenings. What year did they move the meetings to Thursday evenings?
- Which current member is the only Rotarian to serve three different years as president?

Well, read this booklet and you will find the answers plus much more!

Like, for instance, there have been other changes, too. The club has met at six o'clock, six-thirty, and at seven p.m.

Finally, (and this one we'll give you the answers) there have been five members of the club

who have served as Governor's Representative or Assistant Governor to the District Governor. They are: Thomas W. Leggett, 1991-1993; Thomas L. Smith, three 2-year terms, 1993-1999; Jimmie K. Crowder, 1999-2001; Bruce Settle 2007-2010; and Randy Cash 2010-2013.
