Williamsburg Rotary Supports Two Foundations:

Williamsburg Rotary Foundation - (WRF) which supports local area charities and scholarships

Rotary International Foundation - which supports projects of need throughout the world

In general, the Williamsburg Rotary Foundation (WRF) receives contributions from its members quarterly, and provides non-profit organizations in the Williamsburg area with annual gifts. This foundation also provides scholarships to local high school aged students for colleges and universities in the United States.

In general, The Rotary International Foundation (RI Foundation) provides for quarterly/annual contributions from its members to support the work of other Rotary Clubs throughout the world. Rotary International has focused on the eradication of polio, clean water availability, and generally, the improvement of health, education, and the alleviation of poverty on a global scale. Ambassadorial scholarships are included in the support of education. Allocation of donations to RI Foundation can be made through our club's quarterly invoice statements or donating online at the International Rotary website.
