Our Guest Speaker on March 29 was Mr. Nicholas Lucchetti who gave us Part 2 of the presentation which he made on Jan.25 on the early colonial archaeology in the Chesapeake area. As President of the James River Institute for Archaeology, and also Vice President of Research with First Colony Foundation, he certainly has sufficient interesting material to share with us; possibly Part 3???

At left, he receives his plaque from President Dave.

JACK'S ROTARY MOMENT. March 29.2023

An update from Colleen Bonadonna, District Polio Plus Chair:

- We have not had any cases of the wild polio year to date.
- Last week there were six cases of circulating Vaccine Derived Polio type 2 in the Democratic Republic of Congo and one case in Burundi resulting from the new novel vaccine.
- The novel vaccine has been distributed to over 600 million children since March 2021 and these are the first cases from this vaccine.
- The Global Polio Eradication Initiative (GPEI) has put out a press release <https://polioeradication.org/gpei-media-centre/>.
- I am traveling to Rotary International in Evanston, this weekend and will learn more about Rotary's response. On my return next week, I will send an update to all the clubs.
