ROTARY MOMENT -Presented by Mike in Jack's absence.

Also won the mini-affle

Mike drew our attention to RI's press release of Aug.18 "**Rotary statement on recent polio detections in U.S., Europe**"

The recent detection of the vaccine-derived poliovirus type 2 case in New York, USA, and isolates in several environmental samples collected in London are stark reminders that as long as polio exists anywhere, it is a threat everywhere. It also highlights the importance of vaccination as the only form of protection against polio and other vaccine-preventable diseases and the work that needs to be done in our communities to encourage the uptake of vaccines. The U.S. is still considered low risk for paralytic outbreaks of polio due to the high level of vaccine coverage across the population. If a child has received the entire course of vaccines, the risk of becoming paralyzed by polio is negligible. According to the **Centers for Disease Control and Prevention**, 92.6% of children aged 24 months are fully vaccinated against polio, slightly below the 95% World Health Organization target.

DISTRICT REMINDERS

Rotary - 2022 D7600 District Conference October 14 - 16

OUR TWELFTH ANNUAL GOLF TOURNAMENT ON SEP. 30

Patti, Chair of this fund-raising initiative, thanked Mitchell (of The Williamsburg Capitol Group of Morgan Stanley) the most recent sponsor for \$1000 sponsorship. She previously thanked Virginia Natural Gas to whom we are giving 12 dozen balls for their \$2,000 sponsorship.

Patti is urging ROTARIANS to seek sponsors and to get copies of tournament sponsorship and registration forms from the home page of our website.
