## JACK'S ROTARY MOMENT. Feb 22

Two months after the December election of officers and directors for the next Rotary year, we have two vacancies- Director for Membership and Director for Club Administration. Bob Tassone, our current Membership Director, has been appointed Assistant Governor, and he has some exciting plans for Membership initiatives in our area; Bob has agreed to mentor the person who takes his place. We continue to seek a Director of Club Administration and Jack will offer to mentor the new leader. In a small club, everyone needs to have a job. We still have a few openings on the organization chart. Please consider how you will contribute to the club next year.

## Shelter Box

A collection was taken up in our Feb.22 meeting with a view to raising \$500 to be matched by an equal amount from the Foundation in order to purchase a shelter box for disaster stricken areas.

The global support from the Rotary International network is the cornerstone upon which ShelterBox is built. In April 2000, the Rotary Club of Helston-Lizard in Cornwall, England adopted ShelterBox as its millennium project. Little did they know that it would become the largest Club project in the world, responding to disasters and conflict across the globe and providing emergency shelter to over one million people.
