### **Water and Sanitation Month-March**

Over 750 million people in the world lack access to safe water.

More than 2.5 billion people lack access to adequate sanitation facilities.

At least 3,000 children die **each day** from diarrheal diseases caused by unsafe water.

Rotary's projects give communities the ability to develop and maintain sustainable water and sanitation systems

### **ANGEL FLIGHT EAST** (Cont'd from front page)

AFE serves the Northeastern region of the United States, and for destinations beyond, they link with other volunteer pilot organizations. **Anyone who requests a flight must be medically stable, able to board an aircraft, and fly in a small non-pressurized aircraft.** Volunteer pilots use their own aircraft to fly patients to their destinations. These men and women pay for all expenses for each mission they fly. Most AFE patients require air transportation numerous times over several years for treatment of and follow-up for their conditions.

### **HUMOUR CORNER**

Cullum and Broderick are out drinking when Cullum falls off his bar stool and lies motionless on the floor. "One thing about Cullum," Broderick says to the bartender. "He knows exactly when to stop."

Graeme was walking through customs at the airport, carrying a large bottle. "What have you there?" asked a suspicious customs officer. Graeme replied, "Tis holy water from Loch Shrine. I am bringing it home from me pilgrimage." The officer took the bottle and tried some. "Why it's whisky," he spluttered. "Lord bless me," exclaimed Graeme "Another miracle."

Donald O'Connell just read an article about the dangers of drinking and it really scared him. So Donald decided right then and there, that's it, no more reading!
