

The Lake Ridge Rotary Club

1988 - 1998

The Lake Ridge Rotary Club

The Lake Ridge Rotary Club was organized as an offshoot of the Woodbridge Rotary Club in the early fall of 1987. The official prospect as reported to Rotary International for the development of a Rotary club in our area was listed as "excellent" with the further explanation of "the geographical area is certain for economic and commercial growth in the areas of retail sales, service work, light manufacturing and medical services". The usual awkward method of assigning boundaries for a new Rotary Club by dividing up the areas of adjacent clubs was avoided by the kind gesture of the Woodbridge Club who agreed to share their existing area equally with our club. The Woodbridge Club boundaries remain as the boundaries for both clubs to this day.

Regular weekly meetings as a provisional Rotary Club started in October 1987. The Woodbridge Club was the official sponsoring club, with Bill O'Hop as the responsible Rotarian to oversee development. Bill initially worked with Sandy Cook and Jacques Cayere to recruit membership for the club. Provisional club documents show these two persons, along with John Cunningham, Tom Rotelli, Jim Morris, Gary Frantz, Bill Johnston, and Ed Rodriquez as the early organization of the club. It was decided that either John Cunningham or Tom Kreutzer would be President. A coin was tossed and Tom Kreutzer became the chartering President, with John Cunningham being the President the following year.

The club was recognized as a Rotary Club by Rotary International on February 23rd 1988 and was issued a club charter with that date. The club was formally admitted into Rotary International and Rotary District 760 on June 7th 1988, being the last club chartered in that District, since on July 1st the District was divided into Districts 7600 and 7610. Listed Charter Members were 33 in number in February, but only 27 names show on the membership list by Charter Dinner Night on June 29th. On that evening the presentation of the charter document was made by District 760 Governor Bobby Wren with appropriate fanfare; however, the actual charter document was not presented due to a bureaucratic error. Tom Kreutzer received a rolled up advertizement.

The early days of the club were highlighted with many "classification talks" since every member was a new member. This provided a sense of fellowship that is still fondly remembered by our charter members today.

The first year was largely spent getting the club up and running. Tom Kreutzer gives much of the credit for all of this work to his administration, particularly Jim Morris and Jacques Cayere. Meetings were held at *Charlie Brown's* in *Tacket's Mill* shopping center. Bill O'Hop and other Woodbridge Rotarians were present at nearly every meeting. Early in the year John Ringle presented our club with its official Rotary bell. Bill Evans of the Woodbridge Club designed and presented our club with the original artwork of our club logo. Gary Dehnel was inducted as our first non-charter member. PDG Gerald Stephen joined from the Springfield club. Tom Rotelli and Tom Kreutzer became the club's first *Paul Harris Fellows*. *Rotary Happy Hour* at *Charlie Brown's* on Fridays was a popular fellowship activity. We helped sponsor a local girl to the *Para-Olympics* in Korea. The club was awarded with the *Vocational Service Citation* for work with high school students.

A *Seniors' Program* was started with a picnic at the *Fellowship House* and the purchase of a television for their lobby. The club meets at *Giovannis* until an unexpected closing early in the Rotary year. There are jokes about our club being the "kiss of death" for local restaurants. We move to *Brittany's*, some distance from our old location; this is published as a "temporary" location. District Governor Butler's newsletter recognizes our success with *Project Mend-A-House*, *Project Andy*, our more than twenty inches of publicity in local newspapers for our efforts with these two programs, and the quality of our bulletin. Warren Aldrich, Gary Dehnel and Jo Ann Sanders become *Paul Harris Fellows*. Len Chromey, Bob DeMott, Tina Garcia, Rich Mangini and Paula Nicholson become *Sustaining Members*. We win the District *International Service Citation* for our recently started *Namibia Project*. Late in the Rotary year we move to the Westminster Retirement Community.
