District Grant - Construction of Science Classroom in Haiti

October 16, 2018

The construction of the science classroom in Haiti is under way. Our club is doing a toothbrush and toothpaste drive for the high school students. Have no fear if you bought toothbrushes for children as the older students will ask if there are extras for younger siblings. Please ask your dentist for toothbrushes for the Haitian students. Also, old biology dissection kits are welcome. Please bring all supplies to the October 29th meeting. The medical team will be going down from January 20-27, 2019. You do not have to be a medical person to join the team. Cost is \$650 for room & board plus air fare. If you choose food or accommodations other than what is provided, it will cost you more. The Chantilly-Centreville Rotary is coordinating this project. Contact is Sarah John with email: sarahjohn2857@gmail.com

Polio Plus Mixer/Fundraiser

October 16, 2018

The Polio Plus Mixer/Fundraiser is scheduled for October 24, 2018 at Coton & Rye, 44050 Woodridge Pkwy, Leesburg, VA 20176. Please invite your friends, family and acquaintances. Here is the evite link:

Flags for Heroes Update

October 16, 2018

Flags for heroes is under way. John & Bob need your help. We are behind on selling flags for this year. John has asked that each one of us look at spreadsheet of flags we sold last year and invite past customers to participate again. After Monday's very inspirational program I would ask everyone to dig deep and think hard about who might consider participating in this event. All of us were impressed by the talk Dave Edwards gave about the Interact Club at Park View High School. These programs take money and we have a real opportunity to make a big impact in the community with the money we raise from this effort. Here are the signup links for the setup and breakdown of the flags.

<https://www.signupgenius.com/go/409054babab2daaff2-flags1>

There is also an opportunity to get more participants at the Loudoun Salute to the Military, Veterans and Their Families on October 27, 2018. Anyone who would like to help, please email susan.mullen.rotary@gmail.com. There will be an opportunity to set up a table.

Rotary Foundation Update

October 16, 2018

Judy Brittle and Linda Carducci recently received their Paul Harris Foundation + 1 pins. Rotarians become Paul Harris Foundation members after donating \$1,000 or receiving 1,000 points or some combination thereof. Judy and Linda have over 2,000 points either because of the donations they have given or as a result of points being gifted to them. The Board of Directors voted to match up to \$100 of donations from each member with points. Please consider adding a \$25 donation each time you pay your dues bill.

Diaper Drive

October 16, 2018

The diaper drive for NOVA Diaper Bank is under way at your local Giant Food store. There will be an advertisement in the Local Living section of the Washington Post in Loudoun and North Fairfax on Thursday, October 18, 2018. If you have time, check in with your local Giant Food manager and schedule a time to pass out flyers. Times of heaviest traffic are Friday - Saturday from noon - 8PM and Sunday from noon - 4PM. We will need help moving diapers. More to come on this project.

Interact/Youth Services

October 16, 2018

The Interact Club at Park View High School is under way and doing very well. There are 40 students in the club. The Club elected officers and committee chairs this past Monday. Dave Edwards has enlisted two other teachers to help because the group is so large. Dave gave a very inspirational talk about the Interact Club and its uniqueness this past Monday at our Rotary...more to come.
